## M'LEOD IS OUT FOR REELECTION

Hon. N. C. McLeod by the tone of the following letter sent to county clerk Gilham is equivalent to a public announcement that he will seek the nomination for the position that he so ably filled at the last legislature.

The facts are Mr. McLeod firmly protested that he would not under any circumstances become a candidate for reelection but like all loyal citizens finally changed his mind at the urgent wish of many of his constituents.

Elgin, Or., February 8, 1906.

Mr. J. B. Gilham,  
La Grande, Or.

My Dear Sir—I have waited for a long time, in this dreadful suspense, sitting back on my dignity patiently waiting for some one to appreciate my good service to the people of the nation and the Republican party in general, but all you unregenerated and ungrateful wretches stood aloof and have not even hinted that I would be a welcome sacrifice on the altar of political fame, and as I am on the very verge of a nervous collapse dreading the time when I will be called upon to drop that much-coveted cognomen—"Hon."—from my name I have again concluded to permit that feet-footed and much-dreaded monster called office to overtake me in the race, yes, I will even take the part of the blushing maiden who is anxious for the suitor to catch her, yet feigns to escape him. So if you will kindly mail me a blank petition I will be in the swim, at least until the primary elections. With the kindest personal regards, etc. I remain  
Yours truly,  
N. C. McLeod.

### SLOW REGISTRATION

Primary registration in Union progresses slowly. There are about 125 voters registered so far, out of probably 700, and April 4 is the time-limit for primary registration. If the slow registration of voters in Union is any indication, the average voter doesn't care to take time to register for the primaries, and the primary vote may be light. However, there is time enough yet, and the conditions may change by April 4.—Union Republican.

### AMUSEMENTS

#### A GLEE CLUB OF MERIT

Glee Clubs come and Glee Clubs go, and their shows are of varying merit, but the one which is always sure of a welcome in La Grande because its show is always of the highest excellence is our own University of Oregon Club. They have sung several times in La Grande in the last few years, and each succeeding time have been greeted by a larger house. This year the club is stronger than ever, and the mandolin club which has become a permanent feature of the organization has been increased to twelve members. Besides these the singers are always sixteen in number and these are soloists and "funny men."

It is a pleasure to announce that the entire club will appear in La Grande on Feb. 14, 1906.

#### YOU WILL LIKE IT

Aside from its strength as a drama of natural incidents of contemporary life, "Yon Yonson" may lay claim to attention as an elaborate and picturesque production of much more than ordinary magnitude. All of the scenery used in the play was painted by the best artists, from sketches made in the great pine woods of the Great Northwest. A series of rare and beautiful pictures is therefore represented. There are also several sterling effects, such, for instance, as the breaking of a log jam. The mechanical effects are all new and have been improved and elaborated over former productions. In fact, Manager P. J. Kennedy has left nothing within reason undone to make this the banner season for "the evergreen play" which comes to Steward's opera house, Monday, Feb. 12.

A list of the players shows by far the most talented lot yet engaged for the dialect play. The three leaders are Earl K. Mitchell, who will appear in the title role; Venie Atherton, who will again be seen in her inimitable rendition of the Widow Lafin and the others make up an exceptionally strong cast, including Violet Holmes, Adelaide Boyd, Ida Warner, Julia Gilmore, Sydney Craven, Kraft Walton, Clinton Maynard, E. H. Bender, L. H. Weimich, J. E. Mack, Geo. Warren and J. E. Powers.

### WALLOWA REPUBLICAN

On Tuesday Feb. 6th, 256 voters had been entered on the registration books in the County Clerk's office. Of this number 134 have registered as republicans, 101 as democrats, 10 as socialists, 2 as prohibitionists and 9 as independents.

This represents about one-sixth of the vote of the county, and if the same proportion is maintained throughout, the vote will stand as follows: Republican 804, democratic 806, socialist 60, prohibition 12, independent 54, making a total of 1636 votes.

This total and the party proportion here stated will be found not to be far wrong.—Ledger Democrat.

### WALLOWA POULTRY DEAL

Wallowa, Feb. 10.—Demand for poultry brought buyers here from La Grande and other points recently. One representative of a mercantile house secured 70 dozen in Wallowa this week, paying \$3 for choice Plymouth Rocks. It costs little to raise fowls here, and the ranchers think the price received will fully pay them for feed consumed. Interest in poultry-raising for market to increase the revenue of the farm, is gaining constantly in Wallowa county, and the industry promises to become a practical feature of development in this section.
