A Creeping Death.

Blood poison creeps up toward the heart, causing death. J. E. Stearns, Belle Plaine, Minn., writes that a friend dreadfully injured his hand, which swelled up like blood poisoning. Bucklen's Arnica Salve drew out the poison, healed the wound, and saved his life. Best in the world for burns and sores 25c at Newlin's Drug Store.

AMUSEMENTS

University of Oregon Glee and Mandolin Club. At Steward's Opera House Feb. 14

TOMORROW EVENING.

The best entertainment ever given by the University of Oregon boys. Such was the verdict last evening at the Marquam Grand when the Glee and Mandolin clubs were heard by the immense audience. Every member was encored and the entire concert was a triumph. The boxes, gay with the colors of the Multnomah and Oregon teams, were filled with college lads and clubmen, and pleasantries were exchanged during the evening. The program was admirable. Every selection was pleasing and the club certainly deserved all the compliments showered on them. Robert Roundtree, the funny man, was the favorite, and his splendid work was exceedingly clever. As a female impersonator he won new laurels. Extract from Evening Telegram.
 These two clubs combined, numbering thirty, will be the attraction at Steward's opera house, Wednesday, Feb. 14.

FIRST INSTALLMENT OF ENGINES

The first installment of the order from the Baldwin Locomotive Works, of ten engines of the 550 class, arrived this morning and are in the yards, ready to be set up. They are No. 358, 357, 359 and 359. These engines are of the simple type. Since ordering six of this class some months ago, they have given such good satisfaction that hereafter they alone will be used on the mountain division for freight use.

The 310 compound class, also being used on this division on freight, will be regulated to the Washington and lower Oregon divisions. This change has been made to simplify the work of the engineers of this division as the constant changing from compound to the simple class causes considerable confusion and better results from the usage of one type.
 The remaining six will follow tonight, and as soon as they are in satisfactory running order they will be placed in the regular service.

CLEARED \$100,000

The affairs of the Lewis and Clark fair corporation are rapidly being brought to a close and a stockholder's meeting will be held March 1 to authorize the dissolution of the corporation and the division of the capital stock. The total cash on hand as shown by the reports of Secretary Henry C. Reed today, was \$116,000.

Of this amount \$16,000 will be required to settle the various obligations of the corporation, leaving \$100,000 or 25 per cent of the capital stock to be divided among the stockholders. The paid up capital of the corporation was \$402,192.

BEEF CATTLE MOVING

The beef cattle are becoming scarcer in the upper valley since the Union Meat Company has set a price of \$3.50 per cwt for prime steers. This price takes choice stock out of the county at a rapid pace and in two weeks over 300 head of fancy stock have left for the Portland market.—Wallowa News.

NOTICE OF DISSOLUTION

Notice is hereby given that the partnership firm of Drs. Biggers and Biggers is this day dissolved by mutual consent Dr. G. W. Biggers retiring from the firm. The business of the office will hereafter be conducted by Dr. G. L. Biggers. All persons indebted to the late firm are requested to call at the office and settle the same at once.

BOYCOTT REVIVED

A dispatch from Spokane says: Samuel Glasgow, manager of the Centennial Mills of Spokane and Seattle, states he has letters and Hong Kong papers which show that after an agreement had been reached between about fifty commercial representatives and the delegates of various Chinese guilds, whereby the commercial men agreed to recommend certain modifications to the Chinese exclusion law and request their business houses in this country to urge congress to make them if the boycott was called off. William J. Bryan at a banquet delivered a speech in which he stated that they would never consent to repeal the exclusion law. One of the Chinese merchants reported the proceedings to the Chinese papers, quoting Bryan as stating that the labor party is so strong in the United States, that the Chinese workmen skilled or unskilled, would never be permitted to enter, and drew a gloomy picture of what would happen if Chinese were allowed to enter. After Bryan's speech, the Chinese merchants became convinced that congress would not modify the law and that their best policy was to put on the boycott screws again.

RATHBONES ATTENTION

Notice is hereby given to the members of Rowena Temple No. 9, of Rathbone Sisters, that the meeting night of the temple has been changed from Friday night to Wednesday night and that the place of meeting has been changed to the K. of P. hall in the Corps building. Feb. 14 is hoped to be an interesting session, following which there will be a program games and luncheon.

A MODERN MIRACLE

"Truly miraculous seemed the recovery of Mrs. Mollie Holt of this place," writes J. O. R. Hooper, Woodford, Tenn., "she was so wasted by coughing up pus from her lungs. Doctors declared her end so near that her family had watched by her bed-side forty-eight hours; when, at my urgent request Dr. King's New Discovery was given her, and with the astonishing result that improvement began, and continued until she finally completely recovered, and is a healthy woman today." 50c and \$1.00 at NEWLIN DRUG CO.
