LA GRANDE WINS FROM BAKER CITY

La Grande five, Baker City four. The La Grande girls are the champions. The game was a good one, and will long be remembered as the best basket ball game ever witnessed in this city.

While the La Grande team was victorious, it must not be thought that the victory was an easy one, for such was not the case. The Baker City girls were ball players, every one of them, and it was only by means of careful play and good generalship that the La Grande girls were able to win.

La Grande scored three points before the visitors in dainty red suits seemed to realize that the game was on, but as soon as they began to set up and take notice there was a change in the aspect of the game and it was the home guards who began to look around and observe. The first half closed with the girls in blue slightly in the lead. The fact did discourage the visitors who seemed unshaken in their belief that the second half would finish with the difference in their favor. In this they were doomed to disappointment, for at the end of the second half the score card bore evidence of the fact that honors were even. This condition of affairs was not to be tolerated by either team and it was decided to continue the game and settle the championship if it took all night.

Two more determined teams never lined up. Things were doing soon. Each team knew the strength of the other, but each hoped to discover some weakness in the other and thereby secure the coveted point. For a time neither was able to secure an advantage, but finally by a splendid exhibition of generalship and shrewd calculation the oval was placed in the basket and the equilibrium of the score sheet was destroyed, and the La Grande High School girls has secured the championship.
