MUST MAKE A REPORT WEEKLY

Hereafter notaries and justices of the peace throughout the county will send in their lists of voters who have registered before them to the county clerk at least once a week. The statutes relating to elections in the state of Oregon are plain upon this point and County Clerk Gilham has sent a personal request to the 28 men in the county who are registering voters that they comply with that provision. This will expedite the work in the clerk's office and will enable Mr. Gilham and his deputies to keep up with their work.

In the statutes on pages 11 and 12 it says: "Every elector may be registered by personally appearing at the clerk's office . . . but, if said elector is unable for any reason to conveniently register as aforesaid, he may register, without charge before a notary public or justice of the peace . . . signing blank 'A' three times . . . which shall be certified to by the notary or justice and forthwith filed with the county clerk."

Some trouble has been experienced so far in getting the notaries and justices to be prompt in forwarding the blanks after they have been signed as it has been their evident desire to hold them until they secure a good number. Since their attention has been called to the matter, however, they will send the registration into La Grande at least once a week and the trouble will be abated.

Registration for the primaries will close April 4 at 5 o'clock in the afternoon at which time also all nominating petitions must have been filed. The registration books were opened January 2, and more than half the time has now expired with about half the voters of the county yet to file their names.

FOUND DEAD IN A TRAIN

S. N. Harvey, a pioneer resident of Pilot Rock, who left Umatilla county 18 years ago, residing most of the time in California since then, was found dead in his seat on a passenger train on the Southern Pacific, at Kern, Cal. last Saturday.

Mr. Harvey was traveling through the state and was alone at the time of his death. He resided at Red Bluff and was a member of the G. A. R.

He leaves a widow, Mrs. Scott, of Pilot Rock, and five children as follows: Mrs. Dr. H. S. Garfield and Mrs. L. B. Ramsdell, of this city and Miss Anna Harvey, of Pilot Rock, and Lorenzo and Harvey of Pilot Rock.

Mr. Harvey was one of the pioneer residents of the Birch creek district, and helped convert Umatilla county from a wilderness into a habitation for white men. He had some thrilling experiences during the Indian wars in this county.

WONDERFUL CLOCK

One of the strangest of all clocks is the "Resurrection" clock in India. It has no dial, a gong being suspended in its place. Beneath this gong lie scattered on the ground skulls and bones enough to form twelve complete skeletons. At one o'clock the number of bones needed to form one entire skeleton come together with a sup: the skeleton springs up, seizes a mallet, and strikes the gong one blow. This done, it returns to the pile, and again falls to pieces. When it is two o'clock, two skeletons strike two. At the hours of noon and midnight, the entire twelve spring up, and strike, each one after the other, a blow on the gong, and then fall to pieces as before.

ARCHBISHOP RYAN'S BIRTHDAY

Philadelphia, Pa., February 20.—Archbishop Ryan is celebrating his seventy-fifth birthday today. In compliance with the Archbishop's request that no special demonstration be made, the only official observation of the day was a low mass of Thanksgiving, which was celebrated early in the morning at the cathedral. During the forenoon many members of the Clergy of this city and other cities in this vicinity called at the Archbishop's residence to offer their congratulations.

FOR STATE PRINTER

It is now generally conceded that J. R. Whitney, the present state printer, is far in the lead in the candidacy for re-nomination to that office. Mr. Whitney's best endorsement is his record in the office during his first term. The Gazette hopes that Morrow county will be in line with the other counties in giving Mr. Whitney a majority.

Owing to the established rule he is entitled to another term. His record in the office is such a strong endorsement that the people do not desire a change at the next election. He will get a big vote in Eastern Oregon and with his undoubted strength in Western Oregon, he will undoubtedly be renominated by the Republicans by a big majority.—Heppner Gazette.

RIGHT-OF-WAY A'G'T HERE

We are very glad to state that P. A. Worthington has returned to this county in the interest of the O. R. & N. Co., and have been informed that he is to purchase right-of-way from this place to Joseph.

Mr. Worthington is making matters as favorable as possible for the various towns in the county in regards to the giving of depot grounds, they are all treated alike with the exception of Enterprise, that town is asked to give a little more than the rest for the reason that a strip of land between the proposed depot site and the road would be useless, they have asked that this be included in the depot plot.—Wallowa News

"Truly miraculous seemed the recovery of Mrs. Mollie Holt of this place," writes J. O. R. Hooper, Woodford, Tenn., "she was so wasted by coughing up pus from her lungs. Doctors declared her end so near that her family had watched by her bed-side forty-eight hours; when, at my urgent request Dr. King's New Discovery was given her, and with the astonishing result that improvement began; and continued until she finally completely recovered, and is a healthy woman today." 50c and \$1.00 at NEWLIN DRUG CO.
