

Royal Baking Powder

Absolutely Pure

Made from Pure Grape Cream of Tartar

In baking powder Royal is the standard, the powder of highest reputation; found by the United States Government tests of greatest strength and purity.

It renders the food more healthful and palatable and is most economical in practical use.

Housekeepers are sometimes importuned to buy alum powders because they are "cheap." Yet some of the cheapest made powders are sold to consumers at the highest price.

Housekeepers should stop and think. Is it not better to buy the Royal and take no chances—the powder whose goodness and honesty are never questioned?

Is it economy to spoil your digestion by an alum-phosphate or other adulterated powder to save a few pennies?

GRANGE ITEMS

Blue Mountain Grange held a very interesting session last Saturday. It being Brothers' day, of course the brothers had full control.

Five candidates were initiated, then came dinner, served by the brothers, and many were the good things we had to eat, recipes for which can be had by applying to Roy Gekeler, Fred Huffman, J. A. Fraker, or J. E. Reynolds, and paying the price.

The sisters thought they really did need an Osteopath, not for quality, but for quantity.

Dinner over, we proceeded to elect delegates to the county convention, to be held March 30, 1906. J. E. Reynolds, J. W. McAllister, C. D. Huffman elected N. S. Ma'tie N. Golden, Mrs. J. A. Fraker and W. R. Jasper alternates.

The lecture hour was very interesting, with Roy Gekeler acting lecturer.

MOTHERS OF LA GRANDE

Are Your Children Thin, Puny and Ailing? If so Read This.

"Vinol will make children strong, robust and toy or we return your money."

Is there a mother in La Grande who will ignore such a generous offer as this? You risk not one cent. We pay for all the Vinol your child takes if it does no good.

There are plenty of children all around us who are thin, puny, ailing and tired all the time. They don't want to do this, and don't want to do that. Do not blame the children; they have no strength, no blood, no vitality; rapid growth takes all their strength.

Vinol is just what your child needs. It is a delicious cod liver oil preparation, and children love it. It creates strength, makes rich, red blood and vitality as nothing else can, and after a severe sickness there is nothing that will build your child up like Vinol.

The following letter is only one of hundreds which we have received from mothers telling what Vinol has done for their children.

Mrs. E. M. Oswalt of Mansfield, Ohio, writes: "My little daughter became so poorly that I was obliged to take her from school. She was thin, no appetite, tired all the time and weak. We had tried several medicines without benefit. Since taking Vinol, however, she is as well as ever; she has gained in flesh, has rosy cheeks and good appetite and is going to school every day."

"We want to say to every mother in La Grande that Vinol will build your little ones up into strong, robust, healthy children. We have never sold anything equal to it in our store for this purpose, and we will return your money if it fails." NEWLIN DRUG COMPANY.
