Reports from the mines during January has warranted a raise, consequently stock has gone up to 7½ cents, and this is not all, it will keep going up as long as the property gets better, as it is you should buy before another raise in price, or you will miss a good investment. You should consider this as being a home enterprise and help the matter along, [thereby helping yourself.

MILK TALK No. 2.

CLEANLINESS

As milk is the natural food for the young, containing within itself all the requirements of the body, and as any adulteration is injurious to the system, (either from absorption or otherwise) therefore the health of the consumer, and especially the young, depend to a great extent upon those who handle the milk. And as there are so many ways in handling the cow as well as the milk after being drawn from the cow. Every consumer should visit the place from whence he gets his milk (no matter if it is surrounded by a high board fence) and see how the cow and the milk are handled before using it as a food for the baby.

YATCHS OF ALL NATIONS RACE FOR "ROOSEVELT CUP"

(Scripps News Association)

Boston, Mass., Feb. 24.—Thanks to efforts of Mr. Henry Howard of the Eastern Yacht Club and the munificence of the club he represents this year, which would otherwise been an off-year so far as international yacht racing is concerned, will witness such an event of unusual interest. It has been definitely settled that an international yacht race between three small sloops, representing the Kaiserlicher Yacht Club and a like number representing the Eastern Yacht Club will be raced off Marblehead in September of this year. The arrangements were clinched by a cablegram which Mr. Howard, chairman of the regatta committee of the Eastern Yacht Club, received from Admiral Barandon, chairman of the carrying committee of the Kaiserlicher Yacht Club.

By permission of President Roosevelt the costly trophy to be offered by the Eastern Yacht Club will be known as the Roosevelt Cup. The Kaiser has also offered a cup to be sailed for in return races at Kiel in 1907, so that racing with small yachts is to be encouraged by extraordinary incentive, this being the first

time in the history of the sport that the heads of two great nations have acted as sponsors for the cups to be offered in competition.

The conditions governing the Roosevelt Cup are broad and liberal. Any yacht which is enrolled in a recognized club and which fulfils the conditions of the match, subject to the absolute control of the Eastern Yacht Club rules, will be eligible to the elimination races, to be sailed off Marblehead in August. After the international match the cup will become the sole property of the owner of the winning yacht. The conditions also provide that the matches shall take place in alternate years off Marblehead and at Kiel. It is possible that the scope of eligibility may be broadened in future years so that yachts from the continent and Great Britain may take part.

Already plans are making for the building of boats for the race. Mr. Charles Francis Adams 2d. will build from Mr. Boardman's designs, and he has also two other orders. Mr. F. G. Macomber is booked for a Herreshoff boat, while Hanan Brothers of New York, may give Charles Herreshoff an order.

A BOSTON PHILANTHROPIST

It has recently been discovered by accident that Mr. Benjamin C. Clark of Boston has, during many years been inquiring at our post office just before Christmas in regard to the amount of the apparently Christmas gifts which were held at the post office for want of proper postage, and has paid the needed postage on the same, out of his own pocket, with no expectation whatever of receiving thanks from anybody.—Dumb Animals.

OSTEOPATHY AND WOMANKIND

Diseases of women are often neglected too long because of the embarrassment incident to examination and are still oftener complicated as a result of the administration of poisonous drugs. Osteopathy offers a treatment which has achieved better results than any other; which is natural and hence does not establish further evil conditions; and which, involving local examination and treatment less often than other methods, is in no way trying to the most sensitive woman. Moreover, Osteopathic treatment frequently accomplishes by perfectly natural and painless methods complete cures in cases in which operations are usually resorted to; and operations, it should be remembered, seldom leave the patient well and very often indeed lay the foundation for fresh troubles. That distinguished woman who once declared, after personal experience with Osteopathy, that even had it no other application than to the ills of woman it would have made its founder, Dr. A. T. Still, immortal, did not exaggerate.

THEY ARE NOW IN PRISON

Pendleton, Feb. 24.—Sheriff T. D. Taylor and Deputy Sheriff Joe Blakeley returned yesterday from Salem, where they delivered C. P. Davis and Moses Taylor to the state prison. Both prisoners caused no trouble whatever while being taken to the penitentiary and seemed to be hopeful that they would not be required to serve the full length of their sentences. Davis has begun a five year sentence for larceny of public money while a deputy sheriff and Taylor's sentence is two and a half years, having been convicted of attempt to commit arson.

DISTRICT CONVENTION

The sub-district convention of the La Grande district, Idaho conference of the Methodist Episcopal church held in Elgin on the 20, 21 and 22, was well attended when the large territory and season of the year is taken into consideration. Many able papers and discussions relative to the general work were presented, which showed a healthy condition for the church which has been such a factor in the up-building of this vast country.

The following resolution was unanimously adopted:

"Whereas, Rev. H. H. Mower came among us four years ago and by his Christian deportment and brotherly disposition has won our hearts, and whereas on account of climatic conditions he now finds it necessary to return to the east. Be it

"Resolved, That the members of the La Grande district hereby record our profound regrets and express our high regard for him as a good preacher and a Christian gentleman and that our prayers and sympathies will accompany him and his family to his new field of labor and we indulge the hope that at some future time he may return to us again."
