INVESTMENT OF \$500.00 WILL BRING \$380,000.00

We Must Act at Once—Now is the time—They are Passing by.

An investment of \$500 would bring in \$380,000.

There is not a business man anywhere but would jump at such a proposition. While no individual could possibly secure such returns, we know that such an amount invested would result in such an amount being invested in this valley.

READ OUR SUGGESTION

At the present time there are daily passing through our city anywhere from fifty to one hundred and fifty home seekers who after months and years of careful consideration have decided to make their homes in the west. Not all but many bring sufficient means to buy and fix up comfortable homes. They want just such opportunities as Grande Ronde valley offers. Not one in one hundred knows that there is a Grande Ronde valley, until they get a view coming down the mountain and before they can realize what their eyes behold, they plunge once more into the mountains and they proceed onward to the terminal point named on their tickets.

Right here let it be remembered that the tickets give the holder the right to stop over at any point ten days, however, many do not know they have this privilege.

ONLY A FEW NEEDED

To produce the results as stated in the opening paragraph in this article we only need fifty families. What, fifty families will bring in \$380,000? Yes, very easy as we will show you and the most important thing is, we believe we will be able to demonstrate how easily these fifty families can be secured.

AITKIN IN EUGENE

J. H. Aitkin of Huntington, candidate for state treasurer, was in the city Wednesday looking after his interests with reference to his candidacy. Mr. Aitkin made this a pleasant call and impressed the political man as a strong and clean man.—Eugene Register.

FARMERS

Now is the time to do your fencing, you need fenceposts, we have them for sale. Our post were cut from green fur and tamarack trees and are thoroughly dry. We have about 5000 of them which we must dispose of this spring. We will exchange them for live stock, hay, grain, eggs, potatoes or other produce.

Leave orders at The Golden Rule or at No. 1606 Sixth Street. Also dry cordwood for sale in any quantity.

HOW WE GET IT

50, 80 acre tracts at \$50 per acre \$200,000
50 new houses at \$1200 each 60,000
50 new barns at \$300 each 15,000
To furnish fifty new farms and homes with furniture, implements, fencing, cows, horses, organs, pianos, ect., \$1000 each 50,000

\$380,000

AFTER THE FIFTY FAMILIES

They are going past us daily and the question is how to get them. You can't catch fish in a stream where there are no fish, but we know there is a stream of people passing us by.

We maintain that \$500 invested as follows will secure the fifty families and possibly more.

\$500 will keep a qualified man at two points, Pocatello and Huntington, to meet these people and tell them of Grande Ronde valley. These men should be supplied with descriptive literature, with samples of our fruit, with photographs, ect., and out of the hundreds that pass by we can get several hundred to stop off and look over the valley and out of the many that do stop during the season of homeseekers' rates, we can easily get the fifty families who will invest the \$380,000 as above mentioned. At any rate it is not worth trying?

Properly presented, the city, the county and the La Grande Commercial Club could raise the \$500 between now and the first of March and the scheme put into practical operation. Now is the time to act, the people are enroute, they are going by, and out of the many, fifty families could be easily obtained. It is somebody's move, who will act?

JUNIOR'S SOCIAL

The Methodist church was well filled last evening, attending the social given by the Junior League. An unusually good program was rendered by the boys and girls, including two numbers by the Adam sisters, of Portland, who are in the city. Refreshments in abundance were served, all had a jolly good time and will welcome another opportunity to hear the Juniors, and enjoy an evening with them.

ATTENTION ODDFELLOWS

All members of the La Grande lodge No. 16, I. O. O. F., are requested to be present Saturday evening. Important business will come before the meeting and a large attendance is desired.
