

Dainty Foods Demand It

IN EVERY Receipt that calls for cream of tartar, soda, or baking powder, use the Royal Baking Powder. Better results will be obtained because of the absolute purity and great leavening strength of the Royal. It will make the food lighter, sweeter, of finer flavor, more digestible and wholesome. It is always reliable and uniform in its work.

Alum and phosphate baking powders—some of them sold at the same price and some of them cheaper—will make neither dainty nor wholesome food.

TO THE GREAT MAJORITY

Here's to the great majority—to the ones who were left out;
To the saddened hearts who also ran, but were beaten beyond a doubt.
Today they sit on the mourner's bench, their lives are filled with care,
For the world is full of deceitful ones, and the county's more than its share.

Here's to the great majority—to the boys who did not win.
They fought their fight as best they could, and to loss was not a sin,
But the words forgot, the pledges broke, is the saddest part of all.
For they leave a sting with the vanquished ones that nothing can recall.

Here's to the great majority—to the ones who have the blues.
Its the sorrowful side of race that there's always some to lose.
Your hearts are sad, your pulse is bad—there's nothing for you to do,
But rejoice with those who have won the plums as they would rejoice with you.

Here's to the great majority—the contest's over now.
You can all go back with an empty hand to your shop, or store, or plow.
For the sun will shine and the flowers will bloom, though all is dark today
So cease to mourn, but go back to work, you'll be happier "making hay."

A friend of the OBSERVER handed us the above, taken from an eastern exchange, the issue following the county nominating convention and suggested that we might use it in our issue following the primaries April 20th, but as it is evident that all cannot win, we will use it now just to give all a chance to know how a defeat might affect them. If we waited until after the votes were counted the victorious ones would never know how it might have been.

DR. JAMES WHITHYCOMBE,
Republican candidate for Governor

LARGE FLEET ASSEMBLING

(Scripta News Association)
Norfolk, Va., February 28.—Much interest attaches to the selection by the navy department of a convey to the six torpedo boats which are destined for service on the Asiatic station. These boats are now at the Norfolk navy yard and are being especially equipped with modern torpedo apparatus, with a view to their service in far eastern waters. The assignment of the boats to duty at that distant station has no special relation to any emergency that may be present because of the situation in China, but of course, in the plans for naval activity in the event of trouble of that sort, the torpedo flotilla of the Asiatic fleet will be conspicuously employed. These torpedo boats will proceed as far as possible on their own goal, and probably in pleasant water they will be towed on the voyage so that they may not make too heavy drafts on the bunker supply. Some such ships as the Prairie or the Yankee may be used for the purpose of convey. The boats will go by way of the Suez Canal. The torpedo boats will be practically of modern equipment in all respects, as they have recently been subjected to a thorough overhauling and have had installed on board a new torpedo-firing device so that an enlarged torpedo may be discharged.

Our delivery service is for the benefit of all. Don't hesitate to use it.
