WHITNEY FOR PRINTER

Mr. Whitney, who is seeking the nomination for state printer on the Republican ticket, is the present incumbent and is now serving his first term. During his administration he has run a strictly union office. He has also inaugurated the eight hour day voluntarily, which has made of Salem an eight-hour town so far as the printing trade is concerned. In addition to this he has raised the scale of the foreman in the composing and press departments. He has also earned the reputation of being a most excellent employer. The boys in the state printing office have nothing but good words to say for Mr. Whitney.—Portland Labor Press.

ELECTRIC PUMP

Pendleton's water supply is to be pumped into the reservoir by electricity in the future at an annual cost to the water commission of \$5,500 a year, for any amount up to 1,200,000 gallons a day. This is according to the terms of a ten-year contract entered into yesterday afternoon between the water commission and the Northwestern Gas & Electric Company.

The Electric Company has agreed to provide and install, free of cost to the city, and at any place desired near or at the present water power station, a seventy-five horse-power motor and a two-step turbine Worthington pump, capable of pumping 1000 gallons a minute, or a maximum of 1,200,000 gallons a day.—Tribune.

CONSUMPTION INCREASING

Average Now Is Four Hundred Deaths Per Day.

Does the reader of this paper realize that this very day, in this country alone, four hundred homes are each made sad by the death of a victim of consumption? Tomorrow will be a repetition of today's calamity, and so it will go on until the people come to realize the fact that a very large number of these deaths are entirely unnecessary.

Consumption is both a contagious and curable disease in its first stages. Yet many intelligent people do not realize this fact.

Mr. Newlin of the Newlin Drug Co. says, "drug and cough syrups for bronchial and lung troubles are only palliative and do no permanent good; they may deaden the cough and stimulate the patient for a time, but they do not cure and they usually upset the stomach a bad after effect."

Eminent physicians, however, agree that when the symptoms of lung trouble first appear, if the patient will obtain all of the sunshine by day, and fresh air by night possible, eat sound bread stuffs, good meat, eggs and milk in abundance and take the best cod liver preparation to be found, they will employ the surest means known for a cure.

The undersigned will guarantee Vinol to be the best cod liver preparation. It is not a patent medicine, as everything in it is printed on the bottle, and it contains in a highly concentrated form all of the curative, body building, medicinal elements of cod liver oil actually taken from fresh cod's livers, but no oil to clog the system, upset the stomach and retard its work. Any one can try Vinol on our guarantee to refund their money if it fails to give satisfactory results.

CATARRH FIRST A COLD THEN CATARRH THEN CONSUMPTION

A cold in the head is a common ailment, but it rarely ever stops there. It often grows stubborn and protracted, the mucous membranes, or inner lining of the body, become inflamed and secrete a filthy, unhealthy matter which is absorbed by the blood and soon produces that disgusting disease, Catarrh. Then follow the unpleasant symptoms of "hawking and spitting,"

ringing noises in the ears, headache, poor appetite, mucus dropping back into the throat, and a feeling of general debility. Every day the blood becomes more heavily loaded with these poisonous secretions, and if the trouble is allowed to run on, the lungs become diseased from the constant passage of poisoned blood through them, and then Catarrh terminates in the most dreaded and fatal of all diseases, Consumption. The only way to get rid of Catarrh permanently is to cleanse the blood, and S. S. S. is the ideal remedy for this purpose. It soon clears the system of all impurities, purges the blood of all Catarrhal matter and poisons, and effectually checks the progress of this dangerous and far reaching disease. S. S. S. keeps the blood in perfect order so that Catarrh cannot remain; and as this pure, healthy blood goes to every nook the symptoms all pass away.
