Deaf made to Hear and the Lame to Walk

**US VECAL OPERA HOUSE PACKED**

Nothing like it ever seen in La Grande before

Dr. Ward and staff of the Medical Institute of Liverpool, England, and Crawfordsville, Ind., lectured to a large audience Wednesday night. The doctors are agreeable and forceful speakers and held the audience in close attention while they explained the theory and usefulness of their wonderful discoveries.

Many promises were made which seemed utterly impossible to believe, but when the doctors invited those who were hard of hearing to come forward and be cured, H. A. Watson, Perry Dehapp and Peter Larson responded to the call and were made to hear a whisper in a few seconds.

The doctor then called for cripples on crutches and R. M. Oliver responded.

He has been a great sufferer for five years from that giant disease, rheumatism, and unable to walk except with sticks and great difficulty and pain.

He was operated on with medicine twenty minutes and walked off the stage free from pain and stiffness, followed by the wondering crowd, while the doctor broke his sticks on the stage. To say the audience was astonished and wild would be putting it mildly. The doctors were warmly congratulated. It seemed like a dream but it was real. Ministers and doctors were in the audience, and they seemed as well pleased as any.

They treat successfully the following diseases:

Paralysis, Catarrh, Deafness, Big Neck, Bladder and Kidney Diseases, Rheumatism, Scrofula, Loss of Manly Vigor, Female Diseases, Bowel Complaint, Debility, Dropsy of Heart, Liver and Nerve Diseases, Tape Worm, Sore Legs, all Ear and Eye Diseases, Cancers, Piles and Fistula cured without cutting or pain, and all kinds of chronic diseases treated.
