**RHEUMATISM THE TERROR OF WINTER**

Rheumatism is usually worse in Winter because of the cold and dampness and other changed conditions of the climate. The occasional twinges of the disease that are felt during the warmer weather are changed to piercing pains, the muscles become inflamed and swollen, the nerves get sore and excited, the bones ache, and Rheumatism, the terror of winter, takes possession of the system. Then the sufferer turns to the liniment bottle, the woolen clothes, the favorite plaster or some home remedy, in an effort to get relief. But Rheumatism is not a trouble that can be rubbed away or drawn out with a plaster; these things relieve the pain and reduce the inflammation, but do not reach the real cause of the trouble, and at the next exposure another attack comes on. Rheumatism is caused by a sour, acid condition of the blood. The refuse matter and bodily impurities which should be carried off through the channels of nature have been left in the system because of indigestion, weak Kidneys, torpid Liver and a general sluggish condition of the system. These impurities sour and form uric acid, which is absorbed by the blood and distributed to the different muscles, joints, nerves and bones, causing the painful symptoms of Rheumatism. S. S. S. goes to the root of the trouble and cures Rheumatism by cleansing the blood. It neutralizes the acids and filters them out of the circulation and sends a stream of pure, rich blood to all parts of the body. Then the pains cease, the inflammation subsides, the nerves are quieted, every symptom of the disease passes away, and the cure is permanent. S. S. S. is purely vegetable and does not injure the system as do those medicines containing Potash and other minerals. Book on Rheumatism and medical advice without charge.

**A CHANCE TO LAUGH**

With a firm and unerring determination to maintain the reputation of the West Big Jubilee Minstrels from a musical standpoint. Manager Ricaby appears to have gone far and beyond the extravagant notions in order to secure the best available talent in every direction of vocal and instrumental significance.

The organization which has been very considerably enlarged upon for this season, includes singers and musicians of international fame, men who can be relied upon for solo work of the most artistic finish and who take pride enough in their calling to keep in touch with progressive ideas. The celebrated West Minstrels are booked to appear at the Steward's Opera House next Saturday March 10 and their advent will be cordially anticipated by all lovers of good music, who relish the flavor of merriment and enjoy sensational novelties at the same time and with equal favor.

**A SOUTHERN PLAY**

"The Moonshiner's Daughter," now in its fourth year will be presented at Steward's opera house Tuesday, March 13th.

It is an original melodrama in four acts and eight stupendous scenes, abounding in surprisingly novel climaxes, vivid sensations and situations of intense dramatic power. It wins strong recognition from all classes and can be truly rated as the most conspicuous success of the past three seasons. Abundant life and color combine to make this one of the best American plays ever produced. A thrilling and exciting melodrama, dealing with the mysteries of the revenue service, the danger and excitement of hunting down moonshiners in their hidden retreats, with a strong, healthy sentiment underlying the play from beginning to end, tremendous, powerful and convincing.

A new romantic love story has been dramatized and is called "The Moonshiner's Daughter." It is a play far above the average and produces many wonderful scenic ideas. The play will be at Steward's opera house, Tuesday evening, March 13th.

**COUSIN KATE**

Alberta Gallatin will be seen at Steward's opera house soon, supported by an unusually capable company in Hubert Henry Davis' dainty comedy, "Cousin Kate." Miss Gallatin is a Southerner and is the recipient of many social courtesies. Her talents, accomplishments and social prominence in her native state allied to her distinguished ancestry secure her entire entree into exclusive army and diplomatic circles in Washington. Her father was General Albert Gallatin Jenkins.

**WOODMEN LECTURE**

**FOR OLD PEOPLE**

The Newlin Drug Co. Have a Guaranteed Strength Creator.

Mr. Newlin, of the above firm says:—"Hundreds of old people right here in La Grande need just such a strength-maker and body-builder as our delicious cod liver preparation, Vinol, and we simply cannot understand why they will continue to drag out a half-dead and half-alive existence, when we guarantee Vinol will strengthen and invigorate every organ in the body, stop the natural decline and make them well, strong and active."

This is because Vinol contains in a highly concentrated form all of the strength-creating and body-building elements of cod-liver oil, actually taken from fresh cods' livers, but without a drop of the system-clogging oil to upset the stomach and retard its work.

Vinol creates renewed vitality in the most natural manner, making rich, red blood, and building up and strengthening every organ in the body to do its work as nature intended. Many old people have written that they would not take \$1000 for the good Vinol has done them.

In the strongest manner we endorse and guarantee Vinol to increase the appetite, give strength and renewed vitality to the aged, build up the run-down, tired and debilitated, make the weak strong, or return to the purchaser every dollar paid for it."
