AMUSEMENTS

In "Cousin Kate" at Steward's Opera House Wednesday, March 14.

THE MOONSHINER'S DAUGHTER
The big melodramatic success "The Moonshiner's Daughter" fresh from successes all through the country will be seen here on Tuesday March 13. It is a play out of the ordinary and embraces a series of sensational features as well as a pretty love story and is one that is away from the ordinary and conventional stereotyped melodrama. The comedy element is of the breeziest sort and a general dash assists in the action. Every stick of scenery used by the attraction is carried by the management as it requires massive and picturesque environment for a successful interpretation. Some bright specialties and the famous

Moonshiner's Quartette are also a feature. Next Wednesday La Grande playgoers will welcome Alberta Gallatin in the London and New York society comedy success "Cousin Kate." Her coming is being awaited with much interest. The Louisville Courier-Journal said of "Cousin Kate" after its first night at Macaulay's theater in that city, "it is one of those plays that goes straight to the heart, that wraps up the interest and holds it closely, and, without offering any deep moral problem or intricate thought, clears the cobwebs out of the mind and sends one home in a much humor for having seen it."

To the Voters of Eastern Oregon

I am a candidate for the republican nomination for secretary of state before the primaries April 20. I was born in Polk county in 1866 and have had 23 years experience which being of a clerical nature, makes me familiar with the work required in the position to which I aspire. Any assistance which you can extend to me in this matter will be fully appreciated and gratefully received.
