AN ELOQUENT LECTURE

All woodmen who failed to attend the lecture last night certainly missed a real treat. National lecturer Whalen delivered an address which for eloquence and concentration of thought was almost classical. Unlike many lodge lecturers he did not smother his audience with a multitude of figures and statistics, but dealt more with the broader and more fraternal features of the order. Should he again visit this city the La Grande Camp of the Modern Woodmen of America will see to it that it receives a more fraternal greeting and a larger audience.

WILL BE READY APRIL 1

The New Savings Bank and Trust Company will be open for business April 1st in the room now occupied by the Rosenbaum store. The management has purchased one of the famous Manganese steel bank safes, which will be set in the window in plain view from the street night and day. This is the modern method of protection against burglary and when the safe has a strong electric light thrown on it at night it cannot be robbed.

Portland raised \$695 as a contribution for the fund that will send an athletic team to Athens, Greece, next summer. MEETINGS CLOSED

The special services in Central Church of Christ closed last evening with an informal reception to the new members. The meeting has been a great help to the church and Evangelist Handsaker and wife leave with the respect and good wishes of the congregation and the general public. The preaching has been simple, clear, direct and courteous. No abuse has escaped the evangelist's lips. The resident preacher will not need to explain or make excuses for his helper. The various lines of work have been strengthened. Not only have twenty-six been added to the congregation, but the Bible School has reached its highest point. Last Sunday the basement was brought into service for classes. Mrs. Handsaker has held meetings with the Missionary Auxilliary and did much to encourage the ladies. The evangelist seemed bent on leaving Bro. King better provided for and the church having now paid all indebtedness on the property most heartily approved of the proposition. At the close of the school on Sunday Mr. Handsaker presented Mr. King on behalf of the school a five volume set of the Bible Encyclopedia by Gray and Adams.

Last evening the church gave its minister a purse well filled with the useful and voted him a substantial increase in regular support. Not to be entirely outdoors Mr. King on behalf of the church presented Mrs. Handsaker a gold and silver offering last evening.

The church looks forward with bright anticipation. The membership is united there is no debt, the various lines of work are in condition for advancement and with trust in God and each other there is a bright future for Central Church.

are caused by indigestion. If you eat a little too much, or if you are subject to attacks of indigestion, you have no doubt had shortness of breath, rapid heart beats, heartburn or palpitation of the heart. Indigestion causes the stomach to expand—swell, and puff up against the heart. This crowds the heart and interferes with its action, and in the course of time the heart becomes diseased.

Kodol Dyspepsia Cure

digests what you eat, takes the strain off of the heart, and contributes nourishment, strength and health to every organ of the body. Cures Indigestion, Dyspepsia, Sour Stomach, Inflammation of the mucous membranes lining the Stomach and Digestive Tract, Nervous Dyspepsia and Catarrh of the Stomach.

After eating, my food would distress me by making my heart palpitate and I would become very weak. Finally I got a bottle of Kodol and it gave me immediate relief. After using a few bottles I am cured.
MRS. LORING NICHOLS, Penn Yan, N. Y.

I had stomach trouble and was in a bad state as I had heart trouble with it. I took Kodol Dyspepsia Cure for about four months and it cured me.
D. KAUBLE, Nevada, O.
