**DR. JAMES WITHYCOMBE**  
Republican Candidate for Governor

There are but few men in this state more widely known than is Dr. Withycombe. His residence of nearly thirty-five years has enabled him to become thoroughly familiar with the conditions confronting every section of our state.

While his life work has mainly dealt with problems in stock raising and general agriculture, his scope of vision is sufficiently broad to fully comprehend the needs of every productive industry.

He is fearless and progressive and firmly believes in the sentiment of "equal justice to all and special privileges to none."

His election would mean that the stock and agricultural interests would have a strong friend at court. Quarantines and

federal regulations which unjustly hinder the free movement of stock showing a clean bill of health would meet with a vigorous protest.

He is an uncompromising supporter of open rivers and believes that the portage transfer should be made, as near canal conditions as practicable, with the lowest possible freight rate.

Dr. Withycombe is a staunch Republican, a man of unquestionable integrity and indomitable energy. His election would mean a clean, strong and dignified administration, representing a standard of moral character that will tend to elevate the ideals of the youth of our state.

### CANDIDATE FOR THE REPUBLICAN NOMINATION AS STATE TREASURER

Born in Rhode Island 46 years ago, Judge Ryan came to Oregon in his 21st year and soon became recognized throughout the state as an active, tireless worker in the promotion of all matters pertaining to the public interests of his adopted state. A loyal and consistent Republican, he has been honored by his associates in Clackamas county by election as Mayor, City Recorder, water commissioner, chief engineer, school director and school clerk of Oregon City, and as county judge of Clackamas county, all of which offices he has filled with credit to party and self.

In an interview Judge Ryan says: "I believe that my record as a public officer of my city and county goes to prove that if I am elected that every duty required of the state treasurer will be performed in an efficient and economical manner. I believe that the state treasurer should be prohibited from speculating with the funds of the state either for gain for self or in the interests of banks or other moneyed institutions, receiving for his services the salary allowed him by law; being neither a president, cashier, or stockholder in any bank, I shall use my best efforts to conduct the office in strict conformity with the laws of the state, and not discriminate in the interests of any institution or person."

Mr. Ryan's record as judge of Clackamas county proves him to be a man of exceptional business qualifications as he has paid off a county indebtedness of over \$20,000.00, at the same time constructed many miles of improved roads and each year decreasing the tax levy.

### WHITNEY FOR PRINTER

Mr. Whitney, who is seeking the nomination for State Printer on the Republican ticket, is the present incumbent and is now serving his first term. During his administration he has run a strictly union office. He has also inaugurated the eight-hour day voluntarily, which has made of Salem an eight-hour town so far as the printing trades is concerned. In addition to this he has raised the scale of the foreman in the composing and press departments. He has also earned the reputation of being a most excellent employer. The boys in the state printing office have nothing but good words to say for Mr. Whitney.—Portland Labor Press.

## Vinol THE COD LIVER PREPARATION WITHOUT OIL

**Vinol** is fast superseding old-fashioned cod liver oil and emulsions because, without a drop of oil or disagreeable feature, it contains all the medicinal elements of cod liver oil, actually taken from fresh cods' livers. By our process the oil, having no value either as a medicine or food, is separated from the medicinal elements and thrown away. Unlike old-fashioned cod liver oil and emulsions, Vinol is deliciously palatable, agreeable to the weakest stomach, and therefore unequaled as a body builder and strength creator for old people, puny children, weak, run-down men and women, after sickness, and for all pulmonary diseases. Everything Vinol contains is named on the label.

**OUR GUARANTEE**—We have such faith in VINOL that if you will take it we promise if it does not benefit or cure you we will return your money without question. We take all the risk.
