Dated this eighth day of Feb, 1906. at Parry, Union county Oregon.

A Creeping Death.

Blood poison creeps up toward the heart, causing death. J. E. Stearns, Belle Plaine, Minn., writes that a friend dreadfully injured his hand, which swelled up like blood poisoning. Bucklen's Arnica Salve drew out the poison, healed the wound, and saved his life. Best in the world for burns and sores 25c at Newlin's Drug Store.

FAVORS ANOTHER COURSE

Editors Observer:—Permit me space in your columns to say that in my humble judgment the lecture course which we have enjoyed in this city during the past year has been highly meritorious and deserving of the liberal patronage it has received. It is not unusual for a city of this size to support a strong course of entertainments, and for the sake of the school interests, I should be glad indeed if the course could be continued next year. It is my understanding that even a better course is possible for next year, and that an opportunity will be given the people of this city to express themselves in the matter, in the very near future. As one interested in the welfare of the city, and in the development of one of the most important institutions, it is my sincere hope that the privilege of a strong lecture course and the enjoyment and culture it affords may be placed within reach of the people of this city and especially the members of the public schools.
Yours truly,
J. M. MARTIN, Supt. of Schools.

INTERESTING GRANGE MEETING

At our open Grange meetings all are invited to attend.

As the Grange is absolutely non-partisan, we invite all who desire to attend and take part in our discussions.

I have been creditably informed that Judge Harrison was an honored guest at our open meeting at Imbler. In justice to the Judge I will say he was not at the Imbler gathering, but if he had been there he would have received the same courteous treatment extended to other candidates that were there.

The Grange stands for education, economy in County, State and National affairs.

A Government of, for, and by the whole people.

C. D. HUFFMAN Master.

GRANGER'S INQUIRY NO. 1

How do you feel my brothers? Since you have been away, Among the great big fellows Who are pitchers of the hay.

And what do you think my sisters Of what you saw and heard; The way they said and done it And the selection of their words?

The pieces read, the songs they sang. Were of the very best. And shows the train of thoughts that's on The farmers of the West.

GRANGER NEXT DAY

Once the Grangers gave a party, My! but there was lots to eat! Sandwiches and chicken salad, Cakes and every kind of sweet.

Must have been a million waiters— Anyhow, I'm sure of eight; 'Cause each time I saw a new one I would have him fill my plate.

When they woke me up next morning Stomach didn't feel just right— And I didn't want my breakfast 'Guess I ate that too, last night, by gosh.

Eminent Doctors Praise its Ingredients.

We refer to that boon to weak, nervous, suffering women known as Dr. Pierce's Favorite Prescription.

Dr. John Fyfe one of the Editorial Staff of THE ECLECTIC MEDICAL REVIEW says of Unicorn root (*Hololonia Diosa*) which is one of the chief ingredients of the "Favorite Prescription": "A remedy which invariably acts as a uterine invigorator * * * makes for normal activity of the entire reproductive system." He continues "In *Hololonia* we have a nutriment which more fully answers the above purposes than any other drug with which I am acquainted. In the treatment of diseases peculiar to women it is seldom that a case is seen which does not present some indication for this remedial agent." Dr. Fyfe further says: "The following are among the leading indications for *Hololonia* (Unicorn root). Pallor or sallow in the face, with leucorrhoea, atonic (weak) conditions of the reproductive organs of women, mental depression and irritability, associated with chronic diseases of the reproductive organs of women, constipation of bowels in the region of the kidneys; menorrhagia (flooding), due to a weak condition of the reproductive system, amenorrhoea (suppressed or absent months), periods, arising from or accompanying an abnormal condition of the digestive organs and anemic (thin blood) habit; dragging sensations in the extreme lower part of the abdomen." "If more or less of the above symptoms are present, no invalid woman can do better than take Dr. Pierce's Favorite Prescription, one of the leading ingredients of which is Unicorn root, or *Hololonia*, and the medical properties of which it most faithfully represents.

Of Golden Seal root, another prominent ingredient of "Favorite Prescription," Prof. Finley Ellingwood, M. D., of Bennett Medical College, Chicago, says: "It is an important remedy in disorders of the womb. In all catarrhal conditions and general debility, it is useful." Prof. John M. Scudder, M. D., late of Cincinnati, says of Golden Seal root: "In relation to its general effects on the system, there is no medicine in use about which there is such general unanimity of opinion. It is universally regarded as the tonic useful in all debilitated states." Prof. Bartholow, M. D., of Jefferson Medical College, says of Golden Seal: "It is valuable in uterine hemorrhage, menorrhagia (flooding) and congestive dysmenorrhoea (painful menstruation)." Dr. Pierce's Favorite Prescription faithfully represents all the above named ingredients and cures the diseases for which they are recommended.
