GROVER CLEVELAND'S BIRTHDAY

Princeton, N. J., March 17.—Ex-President Grover Cleveland will be sixty nine years old tomorrow and his friends are preparing to celebrate the anniversary of his birth. Mr. Cleveland enjoys the distinction of being the only ex-president of the United States living at the present day. Although no longer actively engaged in politics he is still considered a man of strong political power and influence.

When the scandal covered officials of the insurance companies faced the difficult task of winning back public confidence, they saw that it could only be done by placing in charge some man who had the absolute confidence of the American public. In that crisis they turned to Grover Cleveland and finally succeeded in inducing him to become the head of the Equitable board of trustees, to bring a new regime into the company that the Hydes and Alexanders had discredited.

Mr. Cleveland is still hale and sound. He is a believer in the preserving influence of out door exercise and there is no man more devoted to fishing and hunting than he. His aspirations in that line do not run toward big game. He is satisfied with smaller game and enjoys it immensely to spend his leisure time in the woods or along the streams, hunting and fishing.

ELGIN CITY ELECTION
The following officers were elected for the ensuing year at the Elgin city election last Monday. The contest was between the law and order ticket and the citizen's ticket. The citizen's ticket won a complete victory. The total number of votes cast for mayor was 252.

THE DIFFERENCE
An exchange says: "The kickers on the farm are not so hard to get along with as the kickers in the town. On the farm there is the kicking cow and our long-eared mule, while in town there is the old moss-back, who wants all the privileges of municipal living without paying for them and blocks so far as he can every municipal improvement. The cow is sold for beef and the mule traded for a shotgun, but nothing but a funeral will get rid of the town kicker."

PRECAUTIONS WITH HELPERS
Orders have been issued by Chief Dispatcher Buckley at La Grande, forbidding the placing of helper engines behind passenger trains at either La Grande, North Fork or Bingham Springs. Where there are more than 10 cars in the trains a helper may be placed behind at Hilgard or Huron. The precautions are taken to insure absolute safety in handling passenger trains on the mountains.

A Trite Saying.

It is a trite saying that no man is stronger than his stomach. Dr. Pierce's Golden Medical Discovery strengthens the stomach—puts it in shape to make pure, rich blood—helps the liver and kidneys to expel the poisons from the body and thus cures both liver and kidney troubles. If you take this natural blood purifier and tonic, you will assist your system in manufacturing each day a pint of rich, red blood, that is invigorating to the brain and nerves.
