A WARNING

To the People of La Grande.
An Observer reporter happened in the store of the Newlin Drug Company the other day, and in speaking of the sudden changes in the weather and the sickness which seems to be so prevalent Mr. Newlin of the above firm remarked, "Such weather cannot help but result in coughs, colds, bronchial troubles, the grippe and other sicknesses. This weather is also bad for old people and those who are run down or have a tendency to any weakness or disease."

Continued Mr. Newlin, "It seems to us that you should warn every man, woman and child in La Grande, especially the aged and run down, through the columns of the Observer, to build themselves up and take proper precautions to ward off sickness, and there would be very much less suffering and fewer deaths in La Grande this winter."

When asked what they considered the most universally successful medicine they had ever sold in their store for that purpose, without hesitation Mr. Newlin answered, "Our modern cod liver oil preparation, Vinol, and if people only knew what a grand protection to health it is we would not have clerks enough in our store to supply the demand. You know it is not a patent medicine, as everything in it is named on the label, and it does not contain any oil to clog the system and upset the stomach, but it does contain every one of the medicinal, curative and body-building elements of cod liver oil actually taken from fresh cods' livers. Vinol cures coughs, bronchitis, strengthens the old, builds up the weak and run down, and makes rich, red blood. If it fails we will return the money paid for it."

Chamberlain's Cough Remedy

A Safe Medicine for Children.

In buying a cough medicine for children, never be afraid to buy CHAMBERLAIN'S COUGH REMEDY. There is no danger from it, and relief is always sure to follow. It is intended especially for coughs, colds, croup and whooping cough, and is the best medicine in the world for these diseases. It is not only a certain cure for croup, but, when given as soon as the croupy cough appears, will prevent the attack. Whooping cough is not dangerous when this remedy is given as directed. It contains no opium or other harmful drugs, and may be given as confidently to a baby as to an adult.
