MAY LIVE 100 YEARS

The chances for living a full century are excellent in the case of Mrs. Jennie Duncan, of Haynesville, Me., now 70 years old. She writes: "Electric Bitters cured me of Chronic Dyspepsia of 20 years standing, and made me feel as well and strong as a young girl." Electric Bitters cure Stomach and Liver diseases, Blood disorders, General Debility and bodily weakness. Sold on a guarantee at Newlin Drug Co.'s drug store. Price only 50c.

HEADACHE AND HEADACHE POWDERS

This subject was brought into prominence last winter by the case of the medical doctors of Kansas City against the use of headache powders. They are coal tar products, whose results are gotten through their depressing influence on the heart's action. Which influence results finally in an incurable heart disease. Then, too, they relieve for the time only, and medical texts assert their failure to cure.

Osteopathy goes at this in the accustomed way, SEEKING the CAUSE.

This is almost invariably found in slight displacement of bones of the neck, particularly the first and second vertebrae.

Those are the predisposing causes rendering the condition delicate, ready to be overthrown by one of the many exciting influences, indigestion, female troubles, excitement, exhaustion, etc.

The cure is evident, correct the bony displacements. That is what the Osteopath does, and he rarely fails to permanently cure.

A brother of Fred Savord who died in this city a few days ago writes for full particulars, from Chippewa Falls, Wisconsin. He states that the family had not heard of Fred during the past seven years.

A MODERN MIRACLE

"Truly miraculous seemed the recovery of Mrs. Mollie Holt of this place," writes J. O. R. Hooper, Woodford, Tenn., "she was so wasted by coughing up pus from her lungs. Doctors declared her end to near that her family had watched by her bed-side forty-eight hours; when, at my urgent request Dr. King's New Discovery was given her, and with the astonishing result that improvement began, and continued until she finally completely recovered, and is a healthy woman today." 50c and \$1.00 at NEWLIN DRUG CO.
