## DEBATE WAS A SUCCESS

There was a nice attendance last evening to hear the debate between the members of the High school and Prof. Hockenberry's private school, on the question "Resolved that the Amendment Granting Suffrage to Women in Oregon Should be Carried." The affirmative was presented by Edgar Pickler, Jay Reynolds and Miss Lizzie King, of the High school and the negative by Miss Sarah Riddle, Joel Richardson and Earl Kilpatrick. Both sides acquitted themselves with credit and handled the subject in a manner that demonstrated that they had taken great pains in investigating the various phases of the subject. The able manner in which the subject was presented by the individual speakers is a credit to our educational institutions of this city. The judges were Mrs. W. L. Brenholt, Rev. E. B. Hayes and Turner Oliver. Mr. Oliver in presenting the medals stated that had they been given the opportunity to decide upon individual merit the distribution of medals would have been somewhat different but as they were to go to "side winning their decision was in favor of the negative.

During the period occupied by the judges in arriving at their decision the audience was delightfully entertained by a few special vocal selections by the male quartette composed of Messrs Thomas and Sherwood Williams, Robert Jones and R. N. Hockenberry and a mixed quartette of Miss Mabel Williams, Mrs. Nellie Williams, Sherwood Williams and R. N. Hockenberry, the latter also sang a beautiful bass solo entitled "The Armorer's King Charles."

It is to be hoped that there will be many more such entertainments.

### BUSINESS IS RUSHING

Things are bound to move when conditions are right.

If everyone in this city who has no piano but who needs one and has the money at our especially low terms, to buy one, could fully realize the true facts in the case, our store would be a perfect "jam" until ten o'clock tonight, with people, fairly crowding each other in their efforts to secure an instrument out of this splendid stock of fine pianos at greatly reduced prices and our sale would no doubt be ended by tomorrow morning. Our reasons for making this sale, and conditions surrounding it, have been fully explained in previous advertisements. It will cost the reader nothing to investigate our honest claims, and if you ever expect to own a piano, now is the time to save from \$50.00 to \$200.00 on your purchase. Remember the place.

### BEN BROWN

Republican Candidate for Nomination for County Commissioner

I see a great many of the Candidates are blowing their own horns, if this is the rule I don't propose to be left for the Nomination and will try my hand. I came to this Valley 45 years ago so if long residence has any thing to do with it the nomination belongs to me. I never was an aspirant for office until 12 years ago except for Road Supervision, School Director, and Alderman. I was requested several times to run for Commissioner always declined until the present time. Was urged to run for County Judge for the present election. I have been a taxpayer in this and Baker County for 44 years. I may not have as much wealth as some of the other candidates but I have always paid my debts and have probably done as much if not more than any other candidate toward the upbuilding of Union County. I helped to plough the great furrow that started this County. The time has come when the people from one end of the land to the other want good roads. It takes money to build them. If I am elected and the tax payers say they want good roads I am ready at all times to stand in with them. I have been Road Supervisor nine years, Assessor 4 years. I have been in various kinds of business over 50 years and think I am much better qualified to fill the Office I aspire to than any of those that have never been in but one line of business. If the people see fit to elect me I will use my best endeavors to give them an economical administration and a square deal as I have done heretofore. Some say I am too old. I don't think I have out lived my usefulness. I want this Office to show them I have not. I see a great many in figuring on my statement that I made in a speech in Island City eight years ago that if they would elect me Assessor I would give them a square deal, and I will do the same now when elected.

BEN BROWN.

### RALPH W. HOYT

The Popular Candidate for State Treasurer.

The office of state treasurer is one of the most important in the gift of the people of Oregon. For the proper performance of the duties of the office a man of experience in financial affairs is required.

In Mr. Ralph W. Hoyt, we have a man who combines all these qualities. His successful conduct of the office of county treasurer of Multnomah county for the period of four years, proves his ability in this direction. Mr. Hoyt is the first and only candidate to declare his intention of distributing the state funds among the various banks of the state; in other words, state money collected in one county should be left on deposit in such county instead of, as heretofore, being hoarded in one or two favored banking institutions.

If elected to the office he seeks, it is Mr. Hoyt's intention to resign from the bank of which he is at present cashier and devote all his time and attention to the duties of state treasurer.
