SPORTING EVENTS

DOINGS ON LOCAL AND COAST
RING, TRACK AND DIAMOND

Professional fight promoters in San Francisco are trying their best to match a fight between Philadelphia Jack O'Brien and Sam Berger, the former Pacific coast champion. This fight, if pulled off, should be the best of the season for the reason that O'Brien is much the lighter of the two, but has a grudge against the westerner and is conceded to be the best fighter. This should off-set the difference in weight. Sam Berger's signature is the only thing wanted to complete the arrangements.

Athena and Walla Walla teams will cross bats for the first time this season at Athena April 7 with a return game at Walla Walla on the 8th.

The local baseball grounds have been repaired during the winter, the fence rebuilt and uniforms for the players purchased. This has incurred considerable expense for the team and it will take several months on the part of the Grande fans to make up this deficit. For this reason admission will be charged to practice games, in an attempt to do away with usual subscription list.

A subscription list is always a thing that throws the burden of expense on the shoulders of a few. If the city in general will only turn out and pay their little admission fee every time there is a game, the running expenses of the team will be assured.

Remember in this way you will get something for something while if patronage fails the team, a subscription list will be an absolute necessity.

The date for the Nelson-Herrera fight has been fixed for Friday, May 11th, at Los Angeles.

The scheme of having an inland baseball league has been dropped. In its stead, the cities supporting teams, will have independent organizations, some of them semi-professional, and others not.

The ball question has undergone some strenuous evolutions the past few weeks and it is only now that a certain course has been decided upon by the inland cities. Baker City, Pendleton, Athena, and Walla Walla are going to have independent teams, Walla Walla being the last to join the list. Nearly all of these teams have written Manager Hennor or games and a good schedule will soon be arranged.

Regardless of the contentions that have been going on around us, the local players have been decided all along to play strictly amateur and their decision is backed by every local fan. Semi-professional ball is perfectly legitimate but there is nothing like seeing the game played by an aggregation of home boys.

The coming battle between Abs Atel and Frankie Neil will decide the feather-weight championship of the world. The Pacific Athletic club is offering a championship belt to cost in the neighborhood of a thousand dollars, to the winner of the fight.

Don't neglect your children's eyes. Drs. Dayton Hotel Sommer. Saturday, April 7.

AMUSEMENTS

AROUND THE TOWN

Just as surely as the theatrical season rolls around we are sure to see riding on the top wave of success, Murray and Mack, who now stand pre-eminent in their line of work. It is a complimentary fact to them that they outlived all of the farce comedy stars who have been prominent along with them the last few years. They are the only team that entered the

farce comedy arena years ago when that line of entertainment became popular that are still at it, which speaks volumes for their hold upon the amusement loving public. This makes their fourteenth consecutive year as stars at the head of their own organization.

Dayton Bros, the Pendleton eye specialists will have their office at Hotel Sommer Saturday April 7. Eyes examined free.

HON. DAVID O. ROBINSON

Benefitted by Vinol After All Other Medicines Had Failed.

The Hon. David O. Robinson, County Treasurer of Frankfort, Ky., writes, "I was very much run down from overwork, and suffered from indigestion and a severe nervous trouble. The medicines prescribed all failed to help me, and I could not take cod liver oil or emulsions, as the greasy mixtures upset my stomach. One of our county officials told me about your delicious cod liver preparation, Vinol, and what it had done for him. I decided to try it, and in a remarkably short time I was a well man. Vinol built me up, cured my stomach and nervous trouble and I have not been so well for years."

Mr. Newlin of the Newlin Drug Co. says "Vinol cures conditions like this because it positively contains in a highly concentrated form all of the vitality-making and body-building properties of cod liver oil actually taken from fresh cod's livers, and without a drop of the oil to upset the stomach and retard its work."

"We ask every run down, nervous, debilitated, aged or weak person in La Grande and every person from stubborn colds, hanging on coughs, bronchitis or incipient consumption to try Vinol on our guarantee to return your money if it fails to give satisfaction."
