Owing to hard luck I am compelled to sacrifice my stock to raise that amount of money within the next 12 days. I have just received 2 car loads of new furniture and one car load of new steel ranges, which I bought for the spring trade, but owing to financial circumstances I am compelled to raise \$2000 at once, and will make the following prices. The prices hereafter named are the wholesale prices in Portland less the freight.

NEBRASKA GROCERY MRS. MAGGIE SHEARER, Prop.

JONATHAN BOURNE JR.

Republican Candidate For United States Senator. Champion of Statement One.

Johnathan Bourne, Jr., candidate before the Republican primaries for the nomination of United States Senator in Congress, for the long term commencing March 4, 1907, was born in New Bedford, Mass., February 23, 1855; was a member of the class of 1877 at Harvard University; came to Portland May 16, 1878; was a Republican member of the Oregon Legislature in the session of 1885 and the extra session of 1886; was one of Oregon's delegates to the Republican National Convention of 1888; and Oregon's member of the Republican National Committee from 1888 to 1892, and a delegate to the Republican National Convention of 1892; and was elected as Mitchell Republican to the Oregon Legislature in 1896.

1904 he was a member of the executive committee of the Direct Primary Nominations League, and holds the same position with the People's Power League at this time. In all these movements he has been one of the few to guarantee the necessary expenses of preparing and proposing their measures to the people. He says that the choice of United States Senator should be by direct vote of the people, and that the Legislature should be compelled to elect the man the people select. To accomplish this result, he is championing Statement No. 1 of the primary elections law as the only method by which public opinion may be crystallized and made effective upon the legislature.

In his petition for nomination he says: "If I am nominated and elected I will, during my term of office, Favor Republican politics. Amending National Constitution for peoples' election of United States Senators.

Publicity political campaign expenses. National control of corporations in Interstate Commerce. Rigid exclusion of Asiatic coolie labor; good wages make good citizens. Legal limitation labor hours for safety on railroads. Parcel posts, including rural delivery. Pure food laws. Liberal appropriations for Panama Canal, coast defenses, river and harbor improvements, including Columbia, Willamette rivers, Coos, Yaquina and other Oregon harbors, Cello Canal, government canal at Oregon City. Fair share of irrigation fund for Oregon.

Loyal support of successful candidates. Rigid enforcement statement one. Roosevelt for second elective term. I desire that the following statement be printed after my name on the nominating ballot: I will support President Roosevelt's determination that justice be done all men."

Mr. Bourne has always favored the extending of the direct power of the people over their government as far as possible. He was one of the leading spirits in the Initiative and a Referendum movement from 1896 until it was approved by the voters at the June election in 1902. In

CLEANLINESS

As milk is the natural food for the young, containing within itself all the requirements of the body, and as any adulteration is injurious to the system, (either from absorption or otherwise) therefore the health of the consumer, and especially the young, depend to a great extent upon those who handle the milk. And as there are so many ways in handling the cow as well as the milk after being drawn from the cow. Every consumer should visit the place from whence he gets his milk (no matter if it is surrounded by a high board fence) and see how the cow and the milk are handled before using it as a food for the baby.
