CAKE OPPOSED TO TRUSTS

Every combination of capital known as a trust should be placed under the ban of the law, not only should trust corporations themselves be barred from doing business but the individuals responsible for the combinations should be punished as provided by law, says H. M. Cake, candidate for United States Senator.

There is probably no man in the state of Oregon more pronounced in his opinions on this subject than Mr. Cake, as evidenced by his actions and past utterances.

He is not the attorney for, is not interested in, nor does he represent, directly or indirectly, any trust.

competition in all lines of business—the preservation of the equal rights of the entire citizenship of the country free from interference by combinations of capital.

Mr. Cake is a firm believer in the right of the American workingman to protect himself by means of labor organizations against the oppressions of organized capital.

The great common people of the country can depend upon it that Mr. Cake is friend to their interests, for he is one of the common people.

He is friend to every section and interest of the state, and if elected to the Senate, will do everything he can for the development and prosperity of all Oregon.

not these confections—because they're purity personified. The old idea that all sweets are harmful to the teeth, hurtful to the stomach, was exploded long ago, for soldiers often live on sugar and gain in strength and endurance. But our candies are not only pure and wholesome—they are delicious as to flavor. You can get a trial pound of chocolates for 50 cts.
