AMUSEMENTS

ALL FUN

Murray and Mack, the comedians, will be seen here next week in their new vehicle "Around the Town." This is the most pretentious organization in regard to scenery, costumes and expense of supporting company that Murray and Mack have ever attempted. "Around the Town" can be described as a hodge podge of musical numbers, specialties, and general merriment. Murray and Mack will introduce some new novelties in the fun making line and are going to resurrect one of their old successful features, which has laid dormant for a year or two, their extremely funny boxing match. Among the many novelties and ensemble numbers can be promised one in the third act that will be a real sensation. It consists of twelve girls, six made up as babies and six as Buster Brown boys. The boys swing the girls in six swings. The swings are hung right down near the footlights, during the action of the scene the Buster Brown boys swing the girls and, in doing so push them way out over the orchestra. It is quite startling at first, and a very beautiful number, especially where all the lights in the theatre go out, and the lights on the swings, of which there are several hundred, are lit. Murray and Mack are carrying a big male and female chorus this season.

The "Standing Room Only" sign has been displayed at nearly every performance, which is the strongest proof possible that this Clever Company is just what the people want. Stewards opera house for week commencing Tuesday April 10.

A Heavy Load to Carry.

Along with dyspepsia comes nervousness and general ill-health. Why? Because a disordered stomach does not permit the food to be properly digested, and its products assimilated by the system. The blood is charged with poisons which come from this disordered digestion, and in turn the nervous are not fed on good, red blood, and we see symptoms of nervousness, sleeplessness and general breakdown. It is not head work, nor over physical exertion that does it, but poor stomach work. With poor, thin blood, the body is not protected against the attack of germs of grip, bronchitis and consumption. Fortify the body at once with Dr. Pierce's Golden Medical Discovery—a rare combination of native medicinal roots without a particle of alcohol or dangerous habit-forming drugs.

A little book of extracts, from prominent medical authorities extolling every ingredient contained in Dr. Pierce's Golden Medical Discovery will be mailed free to any address on request by postal card or letter. Address Dr. R. V. Pierce, Buffalo, N. Y.

Many years of active practice convinced Dr. Pierce of the value of many native roots as medicinal agents and he went to great expense, both in time and in money, to perfect his own peculiar processes for rendering them both efficient and safe for tonic, alterative and rebuilding agents.

The enormous popularity of "Golden Medical Discovery" is due both to its scientific compounding and to the actual medicinal value of its ingredients. The publication of the names of the ingredients on the wrapper of every bottle sold, gives full assurance of its non-alcoholic character and removes all objection to the use of an unknown or secret remedy. It is not a patent medicine nor a secret one either. This fact puts it in a class all by itself, bearing as it does upon every bottle wrapper "The Badge of Honesty, in the full list of its ingredients."

The "Golden Medical Discovery" cures, weak stomach, indigestion, or dyspepsia, torpid liver and biliousness, ulceration of stomach and bowels and all catarrhal affections no matter what parts or organs may be affected with it. Dr. Pierce's Pleasant Pellets are the original little liver pills, first put up 40 years ago. They regulate and invigorate stomach, liver and bowels. Much imitated but never equaled. Sugar-coated and easy to take as candy. Give to three a dose.
