

WEAK HEARTS

are caused by indigestion. If you eat a little too much, or if you are subject to attacks of indigestion, you have no doubt had shortness of breath, rapid heart beats, heartburn or palpitation of the heart.

Indigestion causes the stomach to expand—swell, and puff up against the heart. This crowds the heart and interferes with its action, and in the course of time the heart becomes diseased.

Kodol

Dyspepsia Cure

digests what you eat, takes the strain off of the heart, and contributes nourishment, strength and health to every organ of the body. Cures indigestion, dyspepsia, sour stomach, inflammation of the mucous membranes lining the stomach and digestive tract, nervous dyspepsia and catarrh of the stomach.

After eating, my food would distress me by making my heart palpitate and I would become very weak. Finally I got a bottle of Kodol and it gave me immediate relief. After using a few bottles I am cured.

MRS. LORING NICHOLS, Penn Yan, N. Y.

I had stomach trouble and was in a bad state as I had heart trouble with it. I took Kodol Dyspepsia Cure and after a few bottles I am cured.

MADE FROM NATIVE ROOTS.

SAFE AND RELIABLE.

That the roots of many native plants, growing wild in our American forests, possess remarkable properties for the cure of human maladies is well proven. Even the untutored Indian had learned the curative value of some of these and taught the early settlers their uses. The Indian never liked work so he wanted his way to get well as soon as possible that he might do the work and let him hunt. Therefore, he dug "papoose root" for her, for that was their great remedy for female weaknesses. Dr. Pierce uses the same root—called Blue Cohosh—in his "Favorite Prescription," skillfully combined with other agents that make it more effective than any other medicine in curing all the various weaknesses and painful derangements peculiar to women. Many afflicted women have been saved from the operating table and the surgeon's knife by the timely use of Dr. Pierce's Favorite Prescription. Tendered over the lower pelvic region, with backache, spells of dizziness, faintness, bearing down pains or distress should not go unheeded. A course of "Favorite Prescription" will work marvelous benefit in all such cases, and generally effect a permanent cure if persisted in for a reasonable length of time. The "Favorite Prescription" is a harmless agent, being wholly prepared from native medicinal roots, without a drop of alcohol in its make up, whereas all other medicines, put up for sale through druggists for women's peculiar ailments, contain large quantities of spirituous liquors, which are very harmful, especially to delicate women. "Favorite Prescription" contains neither alcohol nor harmful habit-forming drugs. All its ingredients are printed on each bottle wrapper. It is a powerful invigorating tonic, imparting health and strength in particular to the organs distinctly feminine. For weak and sickly women, who are "worn-out," or debilitated, especially for women who work in store, office, or school-room, or bear heavy household burdens, and for nursing mothers, Dr. Pierce's Favorite Prescription will prove a priceless benefit because of its health-restoring and strength-giving power.

For constipation, the true, scientific cure is Dr. Pierce's Pleasant Pellets. Mild, harmless, yet sure.

VERGERE TELEPHONE CO.

INCREASES CAPITAL STOCK

AND IN ADDITION TO UNION COUNTY WILL COVER

WALLOWA COUNTY. NEW OFFICERS AND

BOARD ELECTED.

The Vergere Telephone Company has just increased its capital stock to \$25,000 met in this city and elected the following officers and board of directors: W. H. Bohnenkamp, president; J. L. Caviness, vice-president; Wm. Miller, secretary; Geo. L. Cleaver, treasurer; F. I. Vergere, field superintendent of Wallowa county; S. D. Crowe, field superintendent of Union county. In addition to the above, the following constitute the board of directors: A. C. Miller, H. B. Davidhizer and John McDonald of Wallowa county.

The company is arranging to immediately extend its lines all over Wallowa county. The same policy in Wallowa as in Union county will be followed, that patrons have the use of all the phones in the respective counties for the regular rental price. A charge will be made from one county into another. This company now has offices in nearly every portion of Union county and its business is rapidly extending, which, under the new organization means it will have ample funds to push its work much faster.

Vinol THE COD LIVER PREPARATION WITHOUT OIL

Vinol is fast superseding old-fashioned cod liver oil and emulsions because, without a drop of oil or disagreeable feature, it contains all the medicinal elements of cod liver oil, actually taken from fresh cod livers. By our process the oil, having no value either as a medicine or food, is separated from the medicinal elements and thrown away. Unlike old-fashioned cod liver oil and emulsions, Vinol is deliciously palatable, agreeable to the weakest stomach, and therefore unequalled as a body builder and strength creator for old people, puny children, weak, run-down men and women, after sickness, and for all pulmonary diseases. Everything Vinol contains is named on the label.

OUR GUARANTEE— We have such faith in VINOL that if you will take it we promise if it does not benefit or cure you we will return your money without question. We take all the risk.

NEWLIN DRUG COMPANY

A WORTHY FIGHT

The New York City Board of Education, according to the New York Globe, is waging war against the drama novel, on the principle that good literature placed within the reach of a child will normally supplant the inferior article. We read: "To do the work effectively, 9,175 class libraries have been established in the schools, an increase of 1,194 over the preceding year. New ammunition for the fight to the extent of 70,415 volumes has been added, and now the 'fighting force' numbers 316,563 volumes. How effectively the battle is being fought, under the careful direction of the teachers, is shown by the fact that the circulation for the last school year reached 4,970,590 volumes for home use. In other words, each book has repeated its work on an average of fifteen times."
