SPORTING EVENTS OF IMPORTANCE

When the Baker track team goes into the interscholastic meet at Union in May it will be in the pink of condition and the boys, as well as their coaches, are confident that they will have little trouble in wresting victory from the Pendleton, La Grande and Union teams, against which they will be competing. The meet in Walla Walla will be a more difficult proposition as high school teams from all over the Inland Empire will be entered but with the present prospect of an all star team, Baker enthusiasts declare that they are not afraid of any track team to be put in the field by any high school in the northwest this season.—Herald.

ATHENA AND WALLA WALLA AGAIN

A specially arranged game between the Yellow Kids and the Booster teams has been arranged to take place at Walla Walla. The team is to play at Walla Walla this afternoon. This is the third game within the week.

PLANNING GOLF LEAGUE

Golf enthusiasts throughout the northwest are planning a colossal league to include all the leading cities of the northwest in a golf league. Many of the cities have met each year, but not in prearranged schedule. The chief instigator of the scheme is E. B. Wicks of Salt Lake. If the combination is made as per discussions Seattle, Portland, Spokane, Butte, Salt Lake, Denver, Colorado Springs, San Francisco and Los Angeles will constitute the league.

GREGORY HERE

Walla Walla's pitcher, Gregory, arrived in the city last night and will pitch for the local team the coming season. Gregory's record is too well known to need any comment, and things are looking bright for our team this season. With Gregory and Betzel to occupy the box, there seems no reason why La Grande should not have the best there is. Negotiations are pending with another Walla Walla man who is said to be a fast one in the infield. Practice will be continued next Sunday and Wednesday so that it will be possible to have the first real game a week from Sunday.

'FRISCO WINS IN NINTH

Yesterday's game at San Francisco resulted in a victory for the Californians in the ninth inning. It was 1 to 0 in Seattle's favor up to the time when two timely hits gave Frisco the lead and the game. Battery for Frisco, Wheeler and Street; Seattle, Loucks and Frary.

The Southern Circuit opened yesterday with Montgomery playing at Atlanta and Nashville at Birmingham. New Orleans will not play till early next week.

Bob Fitzsimmons has stirred up comment in boxing circles by saying that he wants to fight Jack O'Brien. Wonders never cease.

The National league opens today. Great preparations were made for the event, and train loads of Philadelphians will go to New York to see their team pitted against the last year's champion New Yorkers.
