CORA KING SWAIN IN THE TITLE ROLE OF
"LA BELLE MARIE"
AT STEWARD'S THEATRE TONIGHT

Scene from
"LA BELLE MARIE"

AT THE THEATRE

The largest house of their engagement, witnessed the Swain Co.'s scenic production of "In Sight of St. Paul's." This play is conceded one of the strongest melo-dramas ever written and was splendidly handled by the Swain Co. Miss Swain, as "Aileen" played a most difficult role in a most finished manner and was most capably supported by Mr. Fanning, and the balance of the cast, Miss Collins as "The Panther" appeared in a new role which she handled in a most capable manner. Tonight the great society play "La Belle Marie" holds the boards, on which occasion all ladies attending the performance will receive a souvenir photograph of Miss Cora King Swain, the clever and versatile leading lady with this Company.

SHIP SUBSIDY IS NECESSARY

(Scripps News Association)

Washington, D. C. April 13—A statement was submitted in the house today by Alfred Winsor of the Boston Steamship Company, which says that unless government aid is extended to his company they will be compelled to haul down the flag and go into dry dock or sell to foreigners. "American ship owners," he said, "Who try without government aid to compete with subsidized foreign craft, commit financial suicide." Former Congressman Loud declared that Spreckle's line, from San Francisco to Australia will be abandoned and placed under Japanese management if subsidy fails, bill fails.

WHY

La Grande People Should Take Vinol.

Mr. Newlin of the Newlin Drug Co. says, "We do not believe there is a man, woman or child in La Grande whom our famous cod liver oil preparation, Vinol, will not benefit at this season of the year."

We believe there is no need for so many people to drag around run-down, tired out and debilitated, or for old people to remain weak and infirm when we guarantee Vinol will restore health and strength."

Continued Mr. Newlin: "For centuries cod liver oil has been recognized as the grandest of all body-building agents for wasted human strength and vitality, but on account of the heavy, nauseating and system-clogging oil which enveloped its curative properties few could take it with any benefit."

In Vinol you get in a concentrated form every one of the curative and strength-creating elements of cod liver oil actually taken from fresh cods' livers, and without a drop of oil to upset the stomach and retard its work.

Vinol is not a patent medicine, and you know what you are taking, as everything it contains is named on the back label of every bottle.

Vinol is guaranteed by over two thousand of the leading druggists of the United States to create strength for old people, for the run-down, tired, and debilitated, weak, sickly women and children, and after a severe sickness.

We ask every person in La Grande who has hacking coughs, chronic colds, throat and bronchial troubles, to try Vinol on our guarantee. It costs nothing if it fails."
