## LARGE CANAL IN RUSSIA

(Scripps News Association) New York, April 14—The survey for the canal to connect the Black Sea with the Baltic Sea, has been completed, and plans for the formation of a syndicate to finance the enterprise will soon be under way. Eugene Bournonville, an engineer and promoter of this city, will sail for Europe this month to consult with the concessionaire.

The canal is to be known as the Emperor Nicholas II Canal, and will be 1,600 kilometers, or about 1,000 miles long, 85 metres wide and 35 metres deep.

It is estimated that it will require ten years to complete it, and the cost will be about \$100,000,000. Most of this capital, it is hoped, will be obtained in the United States, which, it is believed, would mean that the engineers would be Americans. Of the capital needed, \$40,000,000 is expected from Holland and Belgium. The canal will be built without a lock, through a territory that is flat for the greater part, and will be deep enough for the passage of Russia's largest war-ships.

# ORINO Laxative Fruit Syrup

Pleasant to take and does not gripe or nauseate  
Cures Chronic Constipation, Stomach and Liver Trouble

### Stimulation Without Irritation.

ORINO Laxative Fruit Syrup is a new laxative syrup combined with the delicious flavor of fruits, and is very pleasant to take. It will not gripe or sicken. It is much more pleasant and effective than Pills, Tablets and Saline Waters, as it does not derange the Stomach, or irritate the Kidneys, Liver or Bowels.

### Constipation.

ORINO Laxative Fruit Syrup will positively cure chronic constipation as it restores the natural action of the intestinal tract. Ordinary cathartics may give temporary relief but the stomach is upset and the bowels are irritated without any permanent benefit having been derived.

The condition of the patient remains unchanged. The Stomach, Liver and Bowels have not been stimulated and in a few days a stronger purgative may have to be taken. This is why Pills and Aperient Waters never give permanent relief. Their violent action results in an unnatural movement of the bowels and it is necessary to keep taking them indefinitely.

### Why ORINO is different.

ORINO Laxative Fruit syrup is the only preparation that really acts upon all of the digestive organs. Other preparations act upon the lower bowel only and do not touch the Liver. It can very readily be seen that a preparation that does not act upon all of the digestive organs

can not cure Chronic Constipation, Torpid Liver, Indigestion, Sour Stomach, etc.

### For Biliousness and Sick Headache.

Take ORINO Laxative Fruit Syrup. It sweetens the stomach, aids digestion and acts as a gentle stimulant on the liver and bowels without irritating these organs.

### Clears the Complexion.

ORINO Laxative Fruit Syrup stimulates the liver and thoroughly cleanses the system and clears the complexion of pimples and blotches. It is the best laxative for women and children as it is mild and pleasant, and does not gripe or sicken. Refuse substitutes.

## OUR GUARANTEE

Take ORINO Laxative Fruit Syrup and if you are not satisfied your money will be refunded.
