**JUDGE RYAN HERE**

Judge Thos. F. Ryan of Oregon City one of the most prominent candidates for the Republican nomination as state treasurer, is in the city today greeting old friends and making new acquaintances. He has visited most of the cities of the state and is quite sanguine of his success in securing the nomination. In an interview he says: "While I recognize the fact that Mr. Hoyt and Mr. Carter with their bank connections are formidable opponents, I have found a very strong sentiment among the business men, farmers and laborers in opposition to putting the funds of the state in control of banking corporations, they appearing to think a business man with a good record for satisfactory work as a public officer the one they favor for the office." This record Judge Ryan certainly has earned as an officer of Oregon City and Clackamas county.

**Sports**

Elgin certainly has an open hearted bunch of fans. They held a meeting of baseball followers the other evening and raised four hundred dollars before the session broke up. That is coming to the front with the money, and if financial support will insure a good team, then our neighbors will be right up in the front rank when the season ends. It is possible that Elgin will play here a week from Sunday.

A delegation of Island City athletes came over yesterday trying to make arrangements for a track and field meet in the near future. No date was decided upon but the meet is certain. The High School boys are taking advantage of the nice weather this week by putting in some good practice work. Coach Williams has considerable material with which to work, and if the boys take the necessary interest, there is no reason why a winning team cannot be turned out.

The baseball management has received a letter from the manager of the Yellow Kids, saying they want to play La Grande at Athena on the twenty-second. However this is too early for the La Grande team to get into any shape at all, and the date will have to be postponed for a week at least. Two weeks after the twenty-second should see the team in shape, and after that date the management will be pleased to book any dates. Tomorrow will be practice day again and fans can get an eye on the new material that has come in the past week.

**FACTS IN NATURE.**

**Not Only Do We Get Inspiration From Nature, But Health as Well.**  
For people who are run-down and nervous, who suffer from indigestion or dyspepsia, headache, biliousness, or torpid liver, coated tongue with bitter taste in the morning and poor appetite, it becomes necessary to turn to some tonic or strengthener which will assist Nature and help them to get on their feet and put the body into its proper condition. It is becoming more and more apparent that Nature's most valuable health-giving agents are to be found in forest plants and roots.

Nearly forty years ago, Dr. R. V. Pierce, now consulting physician to the Invalids' Hotel and Surgical Institute, at Buffalo, N. Y., discovered that by scientifically extracting and combining certain medicinal principles from native roots, taken from our American forests, he could produce a medicine which was marvelously efficient in curing cases of blood disorder and liver and stomach trouble as well as many other chronic, or lingering ailments. This concentrated extract of Nature's vitality is named "Golden Medical Discovery." It purifies the blood by putting the stomach and liver into healthy condition, thereby helping the digestion and assimilation of food which feeds the blood. Thereby it cures weak stomach, indigestion, torpid liver, or biliousness, and kindred derangements.

If you have coated tongue, with bitter or bad taste in the morning, frequent headaches, feel weak, easily tired, stitches or pain in side, back gives out easily and aches, belching of gas, constipation, or irregular bowels, feel flashes of heat alternating with chilly sensations or kindred symptoms, they point to derangement of your stomach, liver and kidneys, which the "Golden Medical Discovery" will correct more speedily and permanently than any other known agent. Contains no alcohol or habit-forming drugs. All its ingredients printed in plain English on wrapper.

The sole motive for substitution is to permit the dealer to make a little more profit. He gains; you lose. Accept no substitute for "Golden Medical Discovery."  
Constipation causes and aggravates many serious diseases. It is thoroughly cured by Dr. Pierce's Pleasant Pellets. One a laxative; two or three are cathartic.
