

AT THE THEATRE

CORA KING SWAIN

WM. HUTCHISON, OF THE MACK-SWAIN COMPANY

AT THE THEATRE

One of the largest houses of the week witnessed the Swain Co's production of "La Belle Marie" last night.

Ladies were specially in evidence on account of its being souvenir night. The numerous and difficult roles received a finished and clever interpretation. Without exception the work of the entire cast being fully up to the high standard that is a characteristic of all the Swain productions.

This afternoon "Kathleen Mauranneen" is amusing a good sized audience of children.

Tonight this popular Co. closes their engagement with a specially written comedy drama from the pen of Oliver Dodd Byron entitled "The Plunger". Naturally anxious to leave a most favorable impression behind him, Mr. Swain has reserved this, the greatest play in his repertoire for the farewell performance and in consideration of the splendid productions already offered during their engagement this still greater effort will undoubtedly pack the house with the many theatre goers who will mourn the departure of the Company tomorrow.

MILITARY WIRELESS TELEGRAPHY

(Scripps News Association)
Paris, April 14.—For some time communication by wireless telegraphy has been possible between the Eiffel Tower and Belfort, on the Eastern frontier. At present the engineers are trying to discover to what degree their wireless messages can be intercepted and falsified. An apparatus fitted in the grounds of the Military Astrostatic school at Meudon has been communicating with the office of a divisional commander on the eastern frontier and at the same time messages have been exchanged between the Eiffel Tower and an apparatus fitted in a captive balloon, lying over one of the frontier fortresses. No statement has been made as to the result of the experiments.

ARTISANS ATTENTION

All Artisans are requested to meet this evening at the home of Mrs. Mary Aldrich, on Fourth street. Following the business session, refreshments will be served.

SUNDAY SCHOOL TRACK TEAM

The Methodist Sunday school is contemplating something new this spring, and that is a Sunday school athletic team. Rev. B. F. Merredith has started the movement and has called a meeting of the Sunday school boys to be held next Monday night at the M. E. Church at 7:50. Officers, such as captain and manager, and the other details will be arranged. The event will be arranged especially for the young boys and the team is anxious to meet any organization from this or other cities of a similar age. The events will no doubt be the dashes from 50 up to 220 yards; the standing, and running broad jump; the standing and running high jump, and a half mile relay race. Every boy in the city who is interested in track work is welcomed at this meeting Monday night.

WHY

La Grande People Should Take Vinol.

Mr. Newlin of the Newlin Drug Co. says, "We do not believe there is a man, woman or child in La Grande whom our famous cod liver oil preparation, Vinol, will not benefit at this season of the year. We believe there is no need for so many people to drag around run-down, tired out and debilitated, or for old people to remain weak and infirm when we guarantee Vinol will restore health and strength."

Continued Mr. Newlin: "For centuries cod liver oil has been recognized as the grandest of all body-building agents for wasted human strength and vitality, but on account of the heavy, nauseating and system-clogging oil which enveloped its curative properties few could take it with any benefit. In Vinol you get in a concentrated form every one of the curative and strength-creating elements of cod liver oil actually taken from fresh cods' livers, and without a drop of oil to upset the stomach and retard its work. Vinol is not a patent medicine, and you know what you are taking, as everything it contains is named on the back label of every bottle. Vinol is guaranteed by over two thousand of the leading druggists of the United States to create strength for old people; for the run-down, tired, and debilitated, weak, sickly women and children, and after a severe sickness. We ask every person in La Grande who have hacking coughs, chronic colds throat and bronchial troubles, to try Vinol on our guarantee. It costs nothing if it fails."
