This is one of the best musical institutions in the state, and that people in this city and valley are beginning to discover the advantage of this school. The school is divided into two departments; No. 1 is for beginners from 5 years or more and are taught the first three grades. Pupils come one hour each day. This is no kindergarten system but far superior. In No. 2 the grades are from 2 to 5. Here they graduate. Pupils take one or two lessons a week as they desire. He is seventeen years of age and has already attended school at Paris and has finished the schools at Salt Lake. Coming to America about seven months ago he completed the schools there and is now about to enter the noted Oread school.

ON THE FARM.

There's many a successful business man who sits in his city office and lets his mind slip back to his boyhood days on the farm. How good it felt to live! What an appetite he had! How good everything tasted! How sound his sleep was! How eagerly he rose with the sun and raced with him through the long day. And now he's a successful man. But he can't sleep. He doesn't enjoy his food. His stomach is weak, his nerves are shaken, and he now races with the sun to race eagerly against him. His vitality is low and now again his heart seems to plunge in his breast as if it would break loose. That's the price he has paid for success.

The mischief of the whole business is that he buys "tablets" of one sort or another to "aid" his digestion, and indulges in bromides and other nerve stimulants, just to hold himself together, and wonders why he seems to be getting worse.

The whole trouble with such a man generally lies in what is called a "weak" stomach. The food he eats does not nourish him because it is only partially digested and assimilated. No man can be stronger than his stomach, because it is in the stomach and allied organs that digestion and nutrition that strength is made from the food which is eaten.

Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. It restores the strength of the body in the only way strength can be restored, by food which is perfectly digested and assimilated, when the diseased stomach (with its allied organs) is cured of disease. It is a blood-making, body-building medicine, inasmuch as blood is made from food and the body is built up by blood. It is not a stimulant, containing neither alcohol or any other narcotic.

NO OTHER DOCTOR FOR ME.
"Last spring, early, I wrote you my feelings and condition," says Mr. A. J. Vanderwater, 873 West Division Street, Chicago, Ill. "and you advised me to take Dr. Pierce's Golden Medical Discovery (a few bottles), and then write you how I felt. I am happy to say I am getting to be a well man. I have taken six bottles of the 'Discovery' and four or five vials of the little 'Pellets.' They have done me worlds of good. All my friends say, 'Vanderwater, how well you are looking. I haven't been so well in my life.' I tell them I have been doctoring with Dr. R. V. Pierce, of Buffalo, N. Y. 'Why,' they say, 'you haven't been great.' No, I say, but I took his 'Golden Medical Discovery' and his little 'Pellets.' These medicines have brought the great change in me. From a slow motion of a man that could hardly crawl, tired and sick all the time, and could do no work; to a man who can work, sleep, eat, and feel fine, and that tired feeling is all going away. I am very thankful that I wrote to Dr. Pierce. His 'Golden Medical Discovery' and his little 'Pellets' have almost made a new man of me. I feel young as I did at thirty years. No other doctor for me, only Dr. Pierce."

HAD GIVEN UP HOPE.

"I will express my thanks to you for the kindly advice you have given me in regard to my case," writes Miss Carrie J. Wharton, of Dunavant, Spotsylvania Co., Virginia. "When I wrote to you last spring I was in a terrible state of health. Had given up all hope of ever being better. I spit up my food all the time and it seemed as if I had a great deal. I had bad sick headaches every other week in my head never felt clear, and I was perfectly broken down under the strain of losing my food constantly. I had read a great deal in your books of what your medicine had done for others, so I wrote you and got your advice. Brought two bottles of 'Golden Medical Discovery' and the first dose I took I felt better. When I had finished taking the two bottles the spitting up had entirely stopped and my head was much better. I believe that your medicine is just what you have said of them."

"I especially read the books you sent me and shall always speak a good word for the 'Golden Medical Discovery' who was suffering as I did. It was by the testimonials of others that I was induced to try it. I shall always rely upon your advice and feel safe to do so you tell me."

SCROFULA AN INHERITED MISFORTUNE

Every one has a hereditary right to a pure blood supply, which insures a strong, healthy body; but how many do we see who have inherited that greatest of all misfortunes, Scrofula, and are struggling under a legacy of disease and suffering? Scrofula is a constitutional trouble handed down from parent to child, a curse from generation to generation as long as the scrofulous matter is allowed to remain in the family blood. As the very foundation of the blood is diseased we see this awful affliction manifested in many ways, such as enlarged glands or tumors about the neck, which often burst and become discharging ulcers, weak eyes, chronic Catarrh of the head, skin diseases, etc. This blighting disease being so firmly entrenched in the blood often attacks the bones, resulting in White Swelling, or hip disease, while a pallid, waxey appearance of the skin, loss of strength, and often lung affections show that the disease is entirely destroying the rich, nutritive quantities of the blood. There is but one way to cure Scrofula and that is to purify the blood and rid it of the germ of disease, and for this purpose nothing equals S. S. S.

Its purifying and building-up properties make it the ideal remedy for Scrofula. S. S. S. searches out and destroys all poisons and germs, gives strength, richness and vigor to the weak, polluted blood and cures Scrofula permanently. S. S. S. is a purely vegetable medicine, made from roots, herbs and barks, and may be taken with absolute safety by young or old. It so thoroughly removes the poison from the blood that no signs of it are ever seen again and posterity is blessed with a pure blood supply. Book on the blood and any medical advice desired without charge.
