

Dainty Foods Demand It

IN EVERY Receipt that calls for cream of tartar, soda, or baking powder, use the Royal Baking Powder. Better results will be obtained because of the absolute purity and great leavening strength of the Royal. It will make the food lighter, sweeter, of finer flavor, more digestible and wholesome. It is always reliable and uniform in its work.

Alum and phosphate baking powders—some of them sold at the same price and some of them cheaper—will make neither dainty nor wholesome food.

LAST NIGHT'S LECTURE

Mrs. C. C. Cradford the Denver expo-
nant of equal suffrage addressed a large
gathering at the Baptist church last
evening on "why women should vote" She
told in a very able manner of the
two important phases of the subject,
namely: "Good women vote" and "Good
results are achieved" basing her argu-
ments of the first topic on the fact that
51% of the vote cast last year was
the women's vote. On the latter subject
she briefly told of the many good things
Colorado realized since the women
shared the voting privileges.
