

HEALTH is the Most Important

No one can tell good baking powder from bad merely by the appearance;

The price is some guide, but not an infallible one; Some cheap brands may raise the dough, yet contain unwholesome ingredients.

There is one safe, sure way, to follow the recommendations of the

BUY UNION RAILROAD

The Central Railroad Company purchased the Hutchinson railroad from Union station into Union. The Central people needed this road in order to secure proper connection with the O. R. & N. and in fact were almost compelled to have the property now that they have secured it after months of vexation, the entire line system will be pushed to completion. Those who have the matter in hand are confident that they will have the line from Union via of the Cove to La Grande by August first. This means much for Grande Ronde valley and will help every portion of the country tributary to this road.
