While Eastern Oregon did not secure many of the coveted nominations Judge Eakin will be the next supreme judge, and will be the first Eastern Oregon man to occupy a position on the supreme bench.

This is just the right sized town to settle down in and enjoy life. Everything for the comfort of life can be bought here and \$10 will go as far as \$25 will in larger cities. When you want to leave the farm, come to our town and build a nice comfortable home and be among the best people in the world.

If La Grande had any athletic leaders with a little ginger in them, the Eastern Oregon High School Meet, which was to have been held in Union, could be held in La Grande. Pendleton and Baker City are both in the field for it and La Grande would be an ideal spot as a compromise.

We are permitting the surplus waters of the Grande Ronde, Catherine creek, Ladd creek and other streams to go to waste now, but it will be stored in time and held until needed. Then Grande Ronde valley will be a continuation of small holdings and prosperous happy homes.

Not a few of the Democrats are sore in the way the voters handed it to Tom Johnson. Johnson made the best record for the collection of taxes and in turning over the money, of any of his predecessors and his friends think that he was entitled to the nomination and make no hesitation in expressing their views along these lines. His friends claim that the saloon interests of the county caused his defeat.
