SOME SIGNIFICANT STATISTICS

Statistics from the great Piano Trade
authority, The "Musical Courier" show
that the Eilers Houses now handle one
half the Pianos sold on the Pacific Coast.
Nearly two score of America's factories
vie with each other to supply our tremen-
dous trade. These factories know that
the Eilers Houses take a permanent in-
terest in every instrument sold. They
realize that the Eilers Houses tolerate no
poor workmanship, or inferior product.
They know that every Piano must stand
the rigid test of our warranty. We can
boast therefore, of having the very finest
line of instruments of any retail dealers
in the world and this line is fully represented
in our La Grande stock. Remember that
the sale will not always last. We have
an elegant assortment from which to
select. Come in and have a little heart-
to-heart talk with us and just see what
we will do for you. Our business is to
make people happy. Come and join the
Merry-makers. Eilers Piano House

A HUNGRY MAN

I never good natured, but a man who
has dined well always shows his most
genial side. All experienced wives know
this, and many wise women in this city
have learned something else.

IF THEY WANT

To strike "hubby" for a particularly
large slice of his bank account, they ar-
range to have him dine at our restaurant.
They know the better the dinner the cas-
hier he will grant their request. And they
also know the best dinner is to be had
right here.
