TEAM ROUNDING INTO FORM
The baseball team is doing some good hard practice work this week in preparation for the coming big games with Athena. Athena has an exceptionally strong team for this part of the season and while La Grande has a good aggregation, they have not played any real games, and are handicapped to some extent by having the prestige that is gained by playing a few games. However they will give the Yellow Kids one of the grandest races they ever had. Games called at three p. m. Saturday and Sunday.

AMUSEMENTS

Miss Lillian Lawrence, who will appear as Glory Quayle in Hall Gaine's powerful play "The Christian" at Stewarts Opera House, has this said of her by the Baltimore American while playing an engagement at that city:
"The last impersonation I witnessed of Sardou was the 'Fedora' of Miss Lillian Lawrence, and it was a performance so strong and powerful that it led me to marvel why actresses who are so ambitious of emotional distinction do not avail themselves of the depth and breadth of Sardou's literature and constructive majesty." One would have to go far to find an actress who would so well realize the possibilities of this great part. Many have played this role, but few have reached the artistic heights as Miss Lawrence did last night."

BORN

CADY—In this city May 2, 1906 to Mr. and Mrs. Stephen Cady a nine pound boy.

J. E. Pears, an engineer on the O. R. & N. was brought before Justice of the Peace Hough, charged with larceny in a box car. He waived examination, and was placed under \$250 bonds to appear before the next term of Circuit Court. It seems that goods have been missed from various trains for a number of months, and that a spotter was placed upon the road to locate the leakage. According to reports the spotter is numbered among the missing and so far has not registered anywhere.
