TO-NIGHT

MISS GEORGIA A. NICHOLS

As Sierra Suze Tonight in "The Great Northwest."

"THE GREAT NORTHWEST"

Eckhardt's Produce Western Melodrama Tonight

At Steward's opera house tonight one of the greatest border dramas ever written will be presented by the popular Eckhardt's Ideals. The scenes and characters are all typically Western, the plot strong and full of action, the situation intense and not overdrawn, while the comedy is very amusing. The play requires a large cast and several new members will be added to the company. Opportunity is also afforded for extensive scenic and mechanical effects, and full advantage is to be taken of this fact.

Miss Georgia Nichols will be seen at her best in the role of Sierra Suze, a

tough, whole-souled woman of the mountains. Oliver J. Eckhardt in the comical role of Dibsey, a broken down lawyer who makes love to Suze, has a part that will thoroughly display his favorite line of work.

Herbert Foster in the heroic lead of Jack Trail will be seen to advantage, and his great duel scene in the last act is marvelous. W. P. Richardson as Robert Bladedon, the villain; Edri Maxwell as the old broker, and Miss Isabelle R. Perry as Jack's mother, and the other members of the company have parts that will be well cast.

High class specialties will be introduced tonight between the acts. Everyone should turn out tonight to see the Great Northwest. Prices 10-20-30 cents.

THE DIXIE JUBILEES

They are coming with their sweet songs of the Southland, their quaint negro melodies, their camp meeting songs that go home to our hearts. W. C. Buckner, who made the Tennesseans famous is the basso. The seven colored people who compose the company will delight their hearers. Central Church May 9. Tickets and reserved seats at Selders' store.

W. J. Bryan says: "They are fine singers—splendid entertainers."

Robert McIntyre, the noted lecturer says: "They are a fine company for artists. Their deportment both on and off the platform is worthy of commendation."

Leland T. Powers says: "The Dixie are a very fine company. Too much praise cannot be given them."

CONTAGIOUS BLOOD POISON

THE WORST DISEASE IN THE WORLD

Contagious Blood Poison is the worst disease in the world; not only those who contract it suffer, but the awful taint is often transmitted to innocent offspring whose lives are blighted and bodies diseased because the virus of Contagious Blood Poison has been allowed to remain in the family blood.

The first sign of this disease is usually a little pimple or blister, then a red rash breaks out, the mouth and throat ulcerate, the hair comes out, copper-colored spots appear on the limbs, back and breast; and as the disease more thoroughly pollutes the blood, sores and ulcers form and if the trouble is not checked the finger nails drop off, and the soft bones of the nose and head are destroyed.

S. S. S. goes down into the blood and forces out every particle of the poison and makes a complete and lasting cure. As soon as the system gets under the influence of the remedy the symptoms begin to pass away, and when the cure is complete the patient is left in perfect health. So thoroughly does S. S. S. rid the system of the virus that no signs of the disease are ever seen in after years, and posterity is born with a rich, pure blood supply. Book with complete instructions for home treatment and any medical advice desired will be given without charge.
