**AMUSEMENTS**

A smart show is promised to the theater goers on next Monday, the 14th, which will knock into splinters the yarn of King Solomon's about there being nothing new under the sun. "The California Girl's Extravaganza," is the company composed of America's premier artists which will accomplish it. Between them they will evolve and execute an absolute newness, forsaking and leaving less up-to-date competitors, all shows and antediluvian details. The vaudeville and comedy products by this company takes every audience by storm, so bright is it and unexpected.

Even the blaze first nighters forget to be as cold as icicles and applaud to show their appreciation. The new twists of this attraction consists of a fantastic musical comedy, original songs and music feature and novelty vaudeville acts.

Prominent in the list of entertainers are: The 4 Thoroughbreds, The Amatos, Misses Russel and Wells, Ross and Adams Evelyn Fomer, and a chorus of twenty bewitching maidens.

"The California Girls" who appear at the Opera House next Monday is a rip-roaring entertainment of light extravaganza and high class vaudeville. This big company numbering forty will be seen in the rollicking musical extravaganza "The Great White Way" which has been modelled and constructed along the lines of a Metropolitan Broadway production. No troupe on the circuit can boast of such a bevy of pretty Misses than those of "The California Girls" chorus, they are young, have fine voices and are supple and as lively as two year olds.

**A WONDERFUL SHOW**

The greatest success achieved in the past by any Uncle Tom's Cabin Company is that won by John F. Stowe's, which will appear at La Grande, Thursday, May 17 under a mammoth water-proof tent, with a seating capacity of two thousand seats, including five hundred opera chairs, with a stage sixty-four feet, the largest ever known under a tent. Of all the dramatic successes known there are none that equals this great play. It is established in popular favors and needs no indorsement from our press. It is sufficient to say that it will be presented by an excellent company of twenty players, with new and elaborate scenery gotten up for this season's tour. This large company also carries a challenge band composed of twenty solo artists under the direction of Prof. Hayworth, which will give a noon-day concert. Don't fail to see the big show on May 17th. Prices 25-35.

Don't be fooled and made to believe that rheumatism can be cured with local applications. Hollister's Rocky Mountain Tea is the only positive cure for rheumatism. 55 cents, Tea or Tablets.

**NO PERSON**

Would Make Such a Proposition to the People of La Grande Unless They Were Absolutely Sure

Did you ever know or hear of a person who would offer to return every cent you paid him if he could not build up health and create strength and vitality for old people, weak, sickly women and children and the convalescent, create an appetite, cure stomach troubles, make those who are too thin, fat, rosy and healthy. Or cure hacking coughs, chronic colds throat and bronchial troubles?

This is exactly the offer the Newlin Drug Co make to every person in La Grande.

Mr. Newlin of the above says, "Our offer is based upon what we believe to be the greatest strength-creator and health-restorer known to medicine. Vinol, which is the up-to-date form of administering cod liver oil, recognized for centuries as the grandest of all body-building agents for wasted human strength and vitality.

In Vinol we have simply done away with the useless system-clogging oil, and given the people all the medicinal curative elements of cod liver oil actually taken from fresh cods' livers, and we have never sold in our store a medicine of more intrinsic value.

As a body builder and strength-creator for old people, weak women, puny children, after sickness and for all pulmonary diseases, its fame has spread so far that it is now guaranteed by over two thousand of the leading druggists of the country, and especially by us."—Newlin Drug Co.

**SKIN DISEASES**  
FIERY ACIDS IN THE BLOOD  
All skin diseases are due to the same cause—an excess of acid in the blood caused by faulty assimilation of food and poor bowel action; this fiery acid matter is forced to the surface through the pores and glands. Pustules are formed, discharging a sticky fluid which dries and makes a crust, causing intense itching. When the crusts or scabs are scratched off the skin is left raw and bleeding. Sometimes skin diseases are in the dry form, and bran-like scales come on the flesh, or the skin becomes hard and dry, often cracking, and the painful itching causes acute suffering. It does not matter how the trouble is manifested, the cause is the same—an excess of acid in the blood. Salves, powders, cooling washes, etc., while they relieve the itching and give the sufferer temporary comfort, cannot cure the trouble because they do not reach the acid laden blood. The best treatment for all skin diseases is S. S. S., a remedy that is purely vegetable and one which acts directly on the blood with a cleansing, healing effect. S. S. S. neutralizes the acids, and purifies the blood so that the skin instead of being blistered and burned by the fiery fluids, is nourished by a supply of cooling, healthy blood. Special book on Skin Diseases and any medical advice desired will be furnished without charge.
