## STORM STRUCK ATHENA

(Observer Special)  
Athena, Or., May 11—One of the most  
severe thunder and lightning storms that  
has ever visited this portion of Umatilla  
county took place here late yesterday  
afternoon. About five o'clock heavy black  
clouds settled over this section. The air  
was hazy and oppressive and a light rain  
fell followed by heavy peals of thunder  
and lightning the likes of which was  
never heard here before.

Lightning struck the homes of O. W.  
Zerby, Willoby and Dudley. Mr. and  
Mrs. Zerby were both knocked senseless,  
the house caught fire but was immedi-  
ately put out by neighbors. Lightning  
tore the paper in every room in the Dud-  
ley home, with the exception of the din-  
ing room and in which the family  
were huddled during the storm. The  
shock was heard for miles around. None  
were seriously injured.
