AT THE THEATRE

CALIFORNIA GIRLS

MONDAY NIGHT

Noteworthy in the realm of attractions that are to be seen at Steward's opera house is that most brilliant musical extravaganza "The California Girls" which will reign at the above theater next Monday evening. This company numbering many of the best artists in the profession, and carrying a carload of elaborate scenic equipments, stands alone, as the most novel and unique attraction that will be seen here this season.

Wholly different from the usual Burlesque attractions, this company combines farce comedy, musical comedy, extravaganza and vaudeville blended into a two act play, with a plot that holds the audience from start to finish.

An aggregation of bewitching choruses girls in New York's latest musical novelties viz. "The Swinging Song" and "The Ballet of the hour" are only a few of the numberless features.

Fun, Frolic and Fantastic features, new novelties and original, catchy music are a few of the elements which it is claimed has brought "The California Girls" one of the latest Burlesque organizations, into the lime light and which has been crowded with public approval wherever the Company has appeared. This aggregation of bewitching soubrettes, captivating show girls, headline vaudeville features, comical comedians with a new and elaborate scenic equipment will be seen on night at Steward's opera house Monday May 14th. Although a new aggregation "The California Girls" has already made grand strides on the leading to popularity and success and is at present several lengths in the lead of a number of veterans in the race.

A smart show is promised to the theatergoers on next Monday, the 14th, which will knock into splinters that yarn of King Solomon's about there being nothing new under the sun. "The California Girls' Extravaganza" is the company composed of America's premier artists which will accomplish it. Between them they will evolve and execute an absolute newness.

foraking and leaving less up-to-date competitors, all shows and antediluvian details. The vaudeville and comedy products by this company takes every audience by storm, so bright is it and unexpected.

Even the blaze first nighters forget to be as cold as icicles and applaud to show their appreciation. The new twists of this attraction consists of a fantastic musical comedy, original songs and music feature and novelty vaudeville acts.

Prominent in the list of entertainers are: The 4 Thoroughbreds, The Amatos, Misses Russell and Wells, Ross and Adams Evelyn Ponner, and a chorus of twenty bewitching maidens.

"The California Girls" who appear at the Opera House next Monday is a rip-roaring entertainment of light extravaganza and high class vaudeville. This big company numbering forty will be seen in the rollicking musical extravaganza "The Great White Way" which has been modelled and constructed along the lines of a Metropolitan Broadway production. Notroupe on the circuit can boast of such a bevy of pretty Misses than those of "The California Girls" chorus, they are young, have fine voices and are supple and as lively as two year olds.

A WONDERFUL SHOW

The greatest success achieved in the past by any United States Circuit Company is that won by John F. Stowe's, which will appear at La Grande, Thursday, May 17 under a mammoth water-proof tent, with a seating capacity of two thousand seats, including five hundred opera chairs, with a stage sixty-four feet, the largest ever known under a tent. Of all the dramatic successes known there are none that equals this great play. It is established in popular favors and needs no indorsement from our press. It is sufficient to say that it will be presented by an excellent company of twenty players, with new and elaborate scenery gotten up this season's tour. This large company also carries a challenge band composed of twenty solo artists under the direction of Prof. Hayworth, which will give a noon-day concert. Don't fail to see the big show on May 17th. Prices 25-35.
