TRIAL AGAIN POSTPONED

Guillam was postponed today because of

fendant was arrested at Pendleton and

ford, the trial was postponed until Friday

BAILEY RESENTS STORIES

(Scripps News Association)
Washington, May 16—Senator Bailey,
in a speech to the Senate declared that
the dispatch to western newspapers say-
ing that he is secretly opposed to railroad
rate legislation, was an unqualified, mal-
icious and a deliberate lie. He stated
further that some correspondent close to
the White House had furnished the in-
formation, continued with saying, "He is
an unqualified, malicious and deliberate
liar, and I don't care how high a station
or what office he holds." Tillman jumped
to the floor at this and demanded the
entire story be read. During the read-
ing, the Southern senator faced his study.
The story held Tillman up to scorn and
ridicule as a senator, who by stealth,
sought an indirect interview with the
President, after the dinner invitation had
been withdrawn. Tillman then counted
eight falsehoods in the article, and said
he had never lost faith in Bailey, and
quoted the President by saying that the
correspondent was a "Muck raker".

Bailey arose and said that he had de-
nounced the story printed in the New
York morning papers. Bailey continued,
"among all newspaper correspondents,
most are honorable as senators, but there
are two cuckoo scribes to the papers.
The suspicion arose as the story proceed-
ed from the White House. I hope the
President will take steps to see that sen-
ators are not slandered. The man who
wrote it is a miserable wretch and no
matter how high a position he holds, I
will do all in my power to dislodge him."

AMUSEMENTS

MERCHANT OF VENICE MODERN- IZED

During the spring term of 1906 this
play was presented in more than 125
High Schools in various parts of the
United States, and where ever given has
scored a success. In a number of schools
it has been repeated, the second presenta-
tion being fully as popular as the first.
The play is given with proper costuming,
stage settings, and scenery. The action
and dialogue are well within the capa-
bilities of the students. It is bright,
sprightly and genuinely funny, and those
who enjoy an ideal school play should
not miss this one.

delicious fragrance and rich flavor that
denote perfection. Taken in the morning
such coffee is a preparation for the day's
work. Then

AT LUNCH

it is a tonic for mind and body. Taken at
night it is a fitting finish to a good din-
ner. And coffee isn't the only good thing
we have. Our bill of fare will reveal
many dishes equally as appetizing.

A LITTLE TALK ON ICE CREAM SODA

NOT BETTER THAN THE BEST
BUT BETTER THAN THE REST

To maintain the reputation we have acquired for supplying the needs of our
many patrons in every department, a reputation we point to with a don-
able pride, we want, now, to advise you that we have opened our soda
fountain with a new line of crushed fruits and fruit juice which excel any
which we have ever had, and while we may occasionally find a party who
has never tried one of our delicious ICE CREAM SODAS we find a hun-
dred who have, and do, and always will, because they want the best and
appreciate a fine article. We have some new flavors this year which are
going to be of universal favor on account of their delicate flavors. Hoping
you will kindly favor us with an early call, so we may show you.
