

A LITTLE TALK ON ICE CREAM SODA

NOT BETTER THAN THE BEST
BUT BETTER THAN THE REST

To maintain the reputation we have acquired for supplying the needs of our many patrons in every department, a reputation we point to with pardonable pride, we want now, to advise you that we have opened our soda fountain with a new line of crushed fruits and fruit juice which excel any which we have ever had, and while we may occasionally find a party who has never tried one of our delicious ICE CREAM SODAS we find a hundred who have, and do, and always will, because they want the best and appreciate a fine article. We have some new flavors this year which are going to be of universal favor on account of their delicate flavors. Hoping you will kindly favor us with an early call, so we may show you. We are respectfully,

**Two
Dyspeptics**

If you are too fat it is because your food turns to fat instead of muscle—strength. If you are too lean the fat-producing foods that you eat are not properly digested and assimilated.

Lean, thin, stringy people do not have enough Pepsin in the stomach, while fat people have too much Pepsin and not enough Pancreatine.

Kodol

Dyspepsia Cure

contains all the digestive juices that are found in a healthy stomach, and in exactly those proportions necessary to enable the stomach and digestive organs to digest and assimilate all foods that may be eaten. Kodol is not only a perfect digestant, but it is a reconstructive, tissue building tonic as well. Kodol cures indigestion, Dyspepsia, Sour Stomach, Heartburn, Palpitation of the Heart and Constipation. You will like it.

Digests What You Eat

Rests the stomach, rebuilds the tissues and gives firm flesh.

Dollar bottle holds 12 times as much as the 25-cent, or 50-cent size.

SCROFULA AN INHERITED MISFORTUNE

Every one has a hereditary right to a pure blood supply, which insures a strong, healthy body; but how many do we see who have inherited that greatest of all misfortunes, Scrofula, and are struggling under a legacy of disease and suffering? Scrofula is a constitutional trouble handed down from parent to child, a curse from generation to generation as long as the scrofulous matter is allowed to remain in the family blood. As the very foundation of the blood is diseased we see this awful affliction manifested in many ways, such as enlarged glands or tumors about the neck, which often burst and become discharging ulcers, weak eyes, chronic Catarrh of the head, skin diseases, etc. This blighting disease being so firmly entrenched in the blood often attacks the bones, resulting in White Swelling, or hip disease, while a pallid, waxy appearance of the skin, loss of strength, and often lung affections show that the disease is entirely destroying the rich, nutritive qualities of the blood. There is but one way to cure Scrofula and that is to purify the blood and rid it of the germs of disease, and for this purpose nothing equals S. S. S. Its purifying and building-up properties make it the ideal remedy for Scrofula. S. S. S. searches out and destroys all poisons and germs, gives strength, richness and vigor to the weak, polluted blood and cures Scrofula permanently. S. S. S. is a purely vegetable medicine, made from roots, herbs and barks and may be taken with absolute safety by young or old. It so thoroughly removes the poison from the blood that no signs of it are ever seen again and posterity is blessed with a pure blood supply. Book on the blood and any medical advice desired without charge.

AMUSEMENTS

MERCHANT OF VENICE MODERNIZED

During the spring term of 1905 this play was presented in more than 125 High Schools in various parts of the United States, and where ever given has scored a success. In a number of schools it has been repeated, the second presentation being fully as popular as the first. The play is given with proper costuming, stage settings, and scenery. The action and dialogue are well within the capabilities of the students. It is bright, sprightly and genuinely funny, and those who enjoy an ideal school play should not miss this one.

METHODIST SOCIAL A SUCCESS

The Epworth league social at C. R. Thornton's residence last evening was a pleasant affair. A large number of young people were in attendance and indulged in charades and other games. A short program was rendered.

A FINAL DECISION

After various postponements, changes and rechanges due to the cold weather, the Blue Mountain Athletic club has finally and positively decided to intercept all weather conditions by having their social tomorrow night at the Methodist church. This is positive and regardless of rain, snow or moonshine, the ice cream and cake will be sold as per this announcement.

At a late hour today Captain Seigrist notifies us that he is undecided on the line-up for tomorrow owing to the fact that third baseman Childers and left fielder Kooser may not be seen at their respective positions. This will necessitate the substitution of utility men and the team will of course be weakened more or less.

WORDS OF COMMENDATION

Cedar Rapids, Iowa, March 30, '06. To all concerned:—The "Merchant of Venice Modernized", was written by four students of the Cedar Rapids High School, in 1896, and was given two nights in a most successful manner to large audiences. It has since been repeated by this school and many others, with equal popularity. I consider it one of the best genuine school plays ever written. Sincerely, ABIE S. ABBOTT, Principal of Cedar Rapids High School.

THE G. A. R. NATIONAL ENCAMPMENT

(Scripps News Association)

Lincoln, Neb. May 17:—The business section of the city is gay with the national colors in honor of the annual encampment of the G. A. R., department of Nebraska, which will be in session during the next few days. The affiliated bodies meet at the same time and in point of attendance the combined gathering promises to be one of the largest of recent years. Much interest is displayed in the contest for office of department commander for the ensuing year. Those most prominently mentioned for the honor are Andy Trainor of Omaha, K. W. George of Broken Bow, and former Adjutant General James D. Gage of this city. Officers of the national organization and other veterans of note are to speak at the evening camp-fires during the reunion.

WORKMEN IN DOUMA UNSATISFIED

(Scripps News Association)

St. Petersburg, May 17:—The working classes who are sitting in the Douma today attacked the drafting of the reply protesting against the whole of the Czar's address declaring that the document was not strong enough to meet the situation and request that the Douma shall in its reply, protest against the whole of the Czar's address and also demand a summoning of the popular assembly for establishing a conservative reply. Douma leaders have failed in the effort to quiet the workmen.
