Get busy. Keep busy. It's catching, after a while we will all be busy. Every one should work for a bigger, better and busier La Grande.

A careful examination of the list of the Union signers to the petition which brought out Mr. Holmes will reveal the fact that Mr. Holmes has the assistance of Union Republicans as well as Democrats. So far as his managers are concerned they have only one idea in view. That is the election of a man who they know to be in favor of county division. They are certain that in case Mr. Holmes is elected to a seat in the next Oregon legislature that Union will have a Representative who will make it his business to fight for county division from the first to the last. It is useless for him to deny this as it is a well known fact that Mr. Holmes has made the statement that the only reason that he allowed his name to be used was that he was anxious to do what he could to divide the county. If it is not his desire to cut the county in two why should he receive the support of Republicans and Democrats alike in Union? It is useless for him to attempt to pose as an anti-divisionist when it is a well known fact that he is a creature of division and was brought out for no other reason. The voters of this county can not be hoodwinked by any denial of his or his supporters.

The wealth of Grande Ronde valley is much greater this morning than before the rain. We are now absolutely assured a bumper crop.

Not many days distant from the election. Republicans are expected to get out and work. When the smoke of battle has cleared away the greatest Republican majority ever seen in this county should appear to view.

The voters of Union and Wallowa counties should not lose sight of the fact that F. S. Ivanhoe is in every way qualified to fill the office of District Attorney. He has had many years law experience in both counties and is a man in every way able to administer the office in a satisfactory manner.

Not a few voters in the county are of the opinion that Union county has done about enough for the Oliver family. The records show that warrants have been drawn in their favor to the grand total of \$46,000 and their service has covered a period of nearly twenty years. This \$46,000 is not all by any means as a portion of this time, the fee system was the law, and those who ought to be in a position to know, say that \$25,000 could easily be added to the above amount.

Foreign gifts are being accepted for San Francisco, after all. President Roosevelt's announcement that the United States could not accept contributions from foreign countries has been followed by acceptance of some of the proffered gifts by the city of San Francisco itself and Secretary of War Taft, as president of the American Red Cross, has accepted others, including a generous gift from Japan. Many people still have to be fed in the streets at San Francisco by the relief organizations. Plans for rebuilding go rapidly on. Steel and reinforced concrete are in favor for building material.

Two Dyspeptics

If you are too fat it is because your food turns to fat instead of muscle—strength. If you are too lean the fat producing foods that you eat are not properly digested and assimilated. Lean, thin, stringy people do not have enough Pepsin in the stomach, while fat people have too much Pepsin and not enough Pancreatine.

Kodol Dyspepsia Cure

contains all the digestive juices that are found in a healthy stomach, and in exactly those proportions necessary to enable the stomach and digestive organs to digest and assimilate all foods that may be eaten. Kodol is not only a perfect digestant, but it is a reconstructive, tissue building tonic as well. Kodol cures Indigestion, Dyspepsia, Sour Stomach, Heartburn, Palpitation of the Heart and Constipation. You will like it.

Digests What You Eat

Rests the stomach, rebuilds the tissues and gives firm flesh.
