ATHLETIC EVENTS OF INTEREST

(Scripps News Association)

New York, May 28.—Jimmy Britt and Terry McGovern are to fight ten rounds in Madison Square Garden tonight under the auspices of the Twentieth Century Athletic Club. Straight Marquis of Queensberry rules are to govern the go, which means that the principals are to fight out of clinches, necessarily protecting themselves at all times. Tim Hurst will be referee and has been empowered to separate the contestants should they refuse to break.

Lovers of boxing are looking forward to the fight with great deal of interest as it is an open question whether Terry McGovern will be able to fight in any semblance of his old form. He has not been taking very good care of himself lately, while Britt has not deteriorated except by lack of practice. It is admitted that the Californian is the cleverest lightweight in the ring today as far as boxing is concerned.

A PROMISING BUNCH

Manager Kilpatrick has sent his list of entries to Pendleton and will take his athletes to Pendleton tomorrow night. In the line-up are sure point winners, but whether there are enough to win a place in the lead remains to be seen. Walters has never been pushed and is an unknown quantity, but from appearances, he is good.

Hendricks is picked as a winner in the high hurdles. Young will do something in the pole vault. In the meet here, he had no competition and has not had an opportunity to exhibit his real ability. In the jumps Kilpatrick is doing the best work. He has a good spring and has improved his form considerably since the last meet. He also is expected to win something.

Stover is handling the weights, and if any one beats him they will have to toss the sphere something over 39 feet. Edwards is not so slow in the low hurdles and may spring a surprise.

Reynolds has improved in the distances and will give somebody hard run. Besides these there are many entries who will make themselves known on the day of the meet. Such men as Bolton, Carpy and Watson are fellows who are liable to squeeze out a victory, and on the whole the team's prospects are very promising.

Those who are compete are:
 100 yards: Walters, Bolton, Kilpatrick.
 220: Walters, Bolton, Kilpatrick. 440: Walters, Reynolds and Young. 880: Reynolds, Pearce, Young. 120 hurdles: Edwards, Hendricks, Childers. 220 hurdles: Edwards, Hendricks, Childers. Pole vault: Young, Childers, Walter. Discus: Watson, Stover, Hendricks. Shot put: Stover, Young, Watson. Hammer throw, Hendricks, Watson, Stover. Broad jump: Bolton, Kilpatrick, Carpy. High jump: Kilpatrick, Walters, Edwards, Young, Relay: Reynolds, Walters, Bolton Young, or Hendricks.

NORTHSIDERS

George Cleaver has announced the line-up for the Northsiders in Wednesday's game. However, there will be a slight change, for the reason that Mr. Cleaver has placed himself, on the "Bench" and other members of the team are insisting that he play in the field. This shift will be announced later.

The Southsiders are not ready to make themselves known, until tomorrow. The Northsiders follow:
 Van Buren, c; Williams, p; Bolton, lb; Miller, 2nd; Eldridge, 3rd; Crawford, short; Bay, f; Belknap, r f; Keeney, c f; substitutes—Cleaver, McLanor and Ferrin.

S.S.S. FOR THE BLOOD

The purifying action and curative properties of this great remedy have made "S. S. S. For the Blood" a household saying, and thousands who are today enjoying perfect health owe their recovery from blood or skin diseases to this universally used blood medicine. S. S. S. is made entirely from roots, herbs and barks which possess not only cleansing and healing ingredients, but building-up and strengthening properties to keep the blood in perfect order. No one can be well when the blood is impure; they lack the energy and strength that is natural with health, the complexion becomes pale and sallow, the vitality is weakened and they suffer from a general broken down condition. When the waste or refuse matter, which nature intends shall be thrown off, is left in the system because of a sluggish, torpid condition of the expelling members, it is absorbed into the blood, making this vital stream weak, sour and acrid and its condition is manifested by boils, pimples, rashes, blotches and other eruptions of the skin. S. S. S. goes into the circulation and removes every particle of blood taint or character, makes the blood fresh and strong and gives energy to the entire body. When the blood has been cleansed by S. S. S. all skin eruptions pass away and the smooth clear skin, glowing with health, shows that the body is being nourished by rich, pure blood. Rheumatism, Sores and Ulcers, Scrofula, Contagious Blood Poison, etc., are all deep-seated blood disorders, and for their cure nothing equals S. S. S. It does not merely affect the most delicate parts of the body and can be taken with perfect safety by old or young. Book on the blood and any desired without charge.

ELGIN AHEAD IN THE FIFTH.

The La Grande met a stronger team than they perhaps anticipated when they crossed bats with Elgin yesterday at the latter's ground. Elgin has secured several Yellow Kids and had a fast bunch. Early in the game Elgin scored five tallies, and La Grande was only able to bring home three men. A heavy shower in the fifth caused a postponement of the game and the La Grande hurried home. The boys had no excuses to offer last evening, but all are positive they would have won had the game been finished. First baseman Seigrist was ill and could not accompany the team.

This necessitated a complete shift and may have had something to do with the score.

READ AND YOU WILL LEARN

That the leading medical writers and teachers of all the several schools of practice endorse and recommend, in the strongest terms possible, each and every ingredient entering into the composition of Dr. Pierce's Golden Medical Discovery for the cure of weak stomach, dyspepsia, catarrh of stomach, liver complaint, torpid liver, or biliousness, chronic bowel affections, and all catarrhal diseases of whatever region, name or nature. It is also a specific remedy for all such chronic or long standing cases of catarrhal affections and their resultant, as bronchitis, throat and lung diseases (except consumption) accompanied with severe coughs. It is not so good for acute colds and coughs, but for lingering, or chronic cases it is especially efficacious in producing perfect cures. It contains Black Cherry bark, Golden Seal root, Bloodroot, Stone root, Mandrake root and Queen's root—all of which are highly praised as remedies for all the above mentioned affections by such eminent medical writers and teachers as Prof. Bartholow, of Jefferson Med. College; Prof. Hare, of the Univ. of Pa.; Prof. Finley Ellingwood, M. D., of Bennett Med. College, Chicago; Prof. John King, M. D., late of Cincinnati; Prof. John M. Scudder, M. D., late of Cincinnati; Prof. Edwin M. Hale, M. D., of Hahnemann Med. College, Chicago, and scores of others equally eminent in their several schools of practice.

The "Golden Medical Discovery" is the only medicine put up for sale through druggists for like purposes, that has any such professional endorsement—worth more than any number of ordinary testimonials. Open publicity of its formula on the bottle wrapper is the best possible guaranty of its merits. A glance at this published formula will show that "Golden Medical Discovery" contains no poisonous or harmful agents and no alcohol—chemically pure, triple-refined glycerine being used instead. The same is entirely unobjectionable and besides is a most useful ingredient in the cure of all stomach as well as bronchial, throat and lung affections. There is the highest medical authority for its use in all such cases. The "Discovery" is a concentrated glyceric extract of native, medicinal roots and is safe and reliable.

A booklet of extracts from eminent medical authorities, endorsing its ingredients, mailed free on request. Address Dr. R. V. Pierce, Buffalo, N. Y.
