The ground is soaked to a greater depth than it has been for many years.

We do not need many more showers but if a precedent is worthy of consideration, Pioneer day will bring forth another.

An Arkansas man has named his son Satan. Some day he may represent Arkansas in the United States senate.

It would be in keeping with the past history of La Grande, which now holds the key to the county division question, to scatter the 1082 votes we have and let Mr. Holmes slip in. The 445 Union votes will be delivered as a whole.

Once upon a time La Grande had an opportunity to secure the Grande Ronde Lumber Company, but it was one of those sure thing propositions, there was no other place but La Grande. The result we all know.

The mikado has an annual income of a little over \$2,000,000. The losses by the Russo-Japanese war have been so great that he is affording an example to western nations by putting part of his salary back into the treasury. Who ever heard of an American politician putting anything back that he once secured possession of?

Improves the flavor and adds to the healthfulness of the food.

Mr. Holmes comes out in this issue over his signature as opposed to county division. If this be true why did he personally visit the last legislature with a view of securing division. He will not deny working for it then. Why this sudden change?

Our sister city Union would not put up \$1,500 to secure the main line of the O. R. & N. Of course a big moneyed corporation like that would not let a little consideration like \$1,500 change their course. They have been repenting all these years and would gladly give \$25,000 today to get on the main line.

Once upon a time the city of The Dalles enjoyed a railroad payroll for 400 men in the shops. The company wanted to extend their business and needed more room. The Dalles thought the shops could not be run any other place, but the company foolishly took another view, and while The Dalles has been repenting, the shops have been operated in Portland for the past twenty years.

SPOT THE MUCK-RAKER

Every candidate for political honors has been before the people since January, and if any candidate of any party is assailed when it is too late to reply,—we mean about election day,—spot the man making the charge as a muck-raker and a coward, and vote against his candidate. The press has been open to the public for the discussion of candidates for months, and if any legitimate reason, that could not be successfully answered, could have been urged against the nomination or election of any man, it is reasonable to presume it would have been made while the party had an opportunity to defend himself. Brand every charge of this kind as a lie, and you will put this class of political assassins out of business, and retire the candidate who expects political preference by such methods, to the shades of political oblivion. This applies to all candidates of all parties. Elect men who conduct clean campaigns, and you will have clean men in office. Spot the muck-raker.

are caused by Indigestion. If you eat a little too much, or if you are subject to attacks of Indigestion, you have no doubt had shortness of breath, rapid heart beats, heartburn or palpitation of the heart. Indigestion causes the stomach to expand—swell, and puff up against the heart. This crowds the heart and interferes with its action, and in the course of time the heart becomes diseased.

Kodol Dyspepsia Cure

Cures Indigestion, Dyspepsia, Sour Stomach, Inflammation of the mucous membranes lining the Stomach and Digestive Tract, Nervous Dyspepsia and Catarrh of the Stomach.

After eating, my food would distress me by making my heart palpitate and I would become very weak. Finally I got a bottle of Kodol and it gave me immediate relief. After using a few bottles I am cured. MRS. LORING NICHOLS, Penn Yan, N. Y.

I had stomach trouble and was in a bad state as I had heart trouble with it. I took Kodol Dyspepsia Cure for about four months and it cured me. D. KAUBLE, Nevada, O.

accurately fitted will correct this and benefit the eyes in other ways. Don't neglect the eyes. It is not good sense or good economy to refrain from buying a \$1.50 pair of glasses now and later when the eyes are worse have to pay \$5.00 for more powerful lenses.
