SOLDIERS ARE BUSY THIS YEAR

(Scripps News Association)

United States Army will not be able to Station, La Grande, Oregon. take part in any of the county fairs this Date year. There is an increasing demand for military representation on such occasions in all sections of the country, and hitherto 3 the disposition has been to gratify such 4 desires on the part of the people as far

as may be. This year there is an unusual demard for the presence of one or more of the 8 troops of cavalry or companies of infantry, a preference being expressed for the cav- 10 alry as a more spectacular body, capable 11 of drawing paying crowds. This year, 12 however, all the cavalry, infantry, and 13 field artillery commands will be other- 14 wise employed. They are to leave their 15 respective stations on July 15 for marches 16 to the nearest camps, where they will be 17 mobilized in large bodies and engage in 18 two or three months' exercises, the pro- 19 gram of operations including the militia, 20 This rule will be rigidly enforced, by 21 direction of the President, without excepon. The troops must leave their stations on the day set, and nothing will 24 be allowed to interfere in any way with 25 this program. They will be required to 26 remain at the camps on the work incident 27 thereto, for the full period designated, and 28 there will be no exception to this require- 29 ment. For this reason the War Depart- 30 ment is obliged to refuse to lend its aid 31 by the presence of any part of the mili- Summary 2021 tary body at the county fairs.
