WELL PLEASED

Dr. and Mrs. William G. M. Allen have returned home from a 10 days' visit to Eastern Oregon. While away Dr. Allen visited several sections of the state and found the farmers and stockmen alking railroad a great deal, many expressing confidence in the Lewiston line. At La Grande he found several people waiting for an opportunity to go West. Several trains were held at La Grande, on account of washouts on the O. R. & N. Dr. Allen says he believes eastern Oregon has a great future and with better transportation facilities will become a very rich country.
