NUMBER 174

INCOMPLETE RETURNS PLACES A MAJORITY OF REPUBLICAN CANDIDATES IN OFFICE IVANHOE, COLE, DOBBINS, HENRY, GILHAM, AND PROCTER, AMONG THE THE VICTORIOUS

RATE BILL AMENDMENT RAISES CRY

(Scripps News Association)
Washington, June 5.—The president has nominated John K. Hunter to be rear-admiral, and Col. Stephen P. Jocelyn of the Van Couver barracks, has been nominated as Brigadier General.

RAILROADS IMPORE SENATORS
It is estimated that each congressman has received from three hundred to six hundred telegrams protesting against strict anti-pass amendment to the rate bill as the conferees have agreed. Thousands of telegrams were received in the senate from railway men and railway organizations. The amendment prohibits rates to railroad employees and their families. The petitions already number a hundred thousand.

DELUGE IN OHIO

(Scripps News Association)
Scottown, Ohio June 5.—Two women are drowned and four others probably fatally injured in a storm that lasted two hours today. A deluge fell for two hours and when it ceased two stores and many houses were demolished and many more moved from their foundations. Farmers have lost heavily and bridges are washed away for miles and miles.

TO KEEP MINISTERS AWAY

(Scripps News Association)
St. Petersburg, June 5.—Deputy Onipkas has demanded that the Duma pass a resolution prohibiting ministers from appearing in the assembly hall.

(Scripps News Association)

Portland, Or., June 5, 12:25.—Governor Chamberlain has carried the state by a decisive majority. His list includes Multnomah county, where in the count of 11,000 votes he has a lead of 488, this ratio will give him the county by 800 majority. He carried Clatsop by 200, Malheur and Baker by 600, Linn by 400, Yamhill 250, Grant 150, Marion from 100 to 500, Union 200, Umatilla 100, Wasco 250, Josephine 100 and Douglas 20.

ENTIRE STATE TICKET

With the exception of Governor the entire state ticket has been elected by a large majority. In some precincts Benson for secretary of state got two votes to Withycombe's one.

TOM WORD LEADS.

Late returns show that Tom Word is in the lead for sheriff and indications point to his re-election. All of the Republicans in the county are elected by big majorities with the exception of Stevens. The Republican legislature won by majorities of three to one.

Chamberlain is re-elected by a plurality of from 2,000 to 5,000, so says Chairman Sweek of the Democratic state committee. He said: "The vote is far heavier than was expected, exceeding our estimates. Many counties which we had conceded to Withycombe have been carried by Chamberlain."

BOURNE WINS.

Gearin ran far ahead of his ticket but the popular endorsement has gone to Jonathan Bourne.

BOTH CONGRESSMEN.

The Republicans have elected both congressional candidates, Ellis in the second district by a large majority.

CHAMBERLAIN MAJORITY INCREASES

Portland, June 5 2:30.—Later returns show increased majorities for Chamberlain. Tom Word is probably elected.

AMENDMENTS DEFEATED

The vote on the two principal amendments shows that Wome's suffrage is defeated as is also the local option amendment.

LATEST RETURNS.

Portland, June 5, 3:45.—Chamberlain's plurality will probably reach 4,000. Tom Word's election is assured. State Senator Geo. W. Brownell, of Clackamas county, is defeated.

UNION COUNTY

Governor Chamberlain carries the county by about 200. Bourne for senator by about 100. Pierce by about 100 but loses Umatilla by 400 and Morrow by 200.

Dobbins is possibly elected but the vote in both counties, Union and Wallowa, is very close and it may be several days until the results will be known.

The returns at hand show that Mr. Rothchild has defeated Mr. Haworth by 44 votes with Cove and Big Creek to hear from. Mr. Haworth is reported to be running ahead at the Cove but it is not thought that he can overcome this majority.

It seems to be a neck and neck race between Sam Brooks and Ben Brown for Commissioner with two precincts, Cove and Big Creek to hear from. The vote as it now stands gives Mr. Brown a lead of 3.

Col. Ivanhoe has carried this county by about 500 and reports from Wallowa are to the effect that he has carried that county by about 100.

County Clerk Gilham is re-elected by a large majority as is also Recorder Procter.

J. C. Henry wins the county Judgeship over Oliver by about 100. Big Creek may cut this down but unless there has been a gross error in the unofficial returns his apparent majority cannot be overcome.

Surveyor Curtis has been re-elected by about 100 and Dr. Hall has won the coronorship over J. M. Hiltz by about 150. Cove vote just received, cuts Rothchild's majority to 21 and increases Ben Brown's majority to 30.

WET AND DRY PRECINCTS

In this county four precincts voted on prohibition, Island City, Cove, Imbler, and Summerville. Island City, Cove, and Summerville went wet, Imbler dry.

WALLOWA COUNTY DRY

Enterprise Or., June 5.—Reports received from Wallowa are to the effect that local option carried every precinct in the county, at any rate the county goes dry. A drummer who had sent in an order a few days ago wired his house not to send goods as the county had gone dry.

TRIAL OF MRS. LEDoux

(Scripps News Association)

The trial of Emma Ledoux, charged with the murder of T. McVicara in this city on the morning of March 24, began this morning. The courtroom and corridor were crowded with spectators, women predominating, and the interest is greater than in any case on record in this county. The deceased and Mrs. Ledoux came to this city as man and wife on March 23 and on the night of the 24th his body was found in a trunk at the Pacific Depot. Investigation showed morphine poisoning, and perhaps other poisons were in the trunk when the live body of McVicara was thrust in the trunk, where he expired.

Following the discovery Mrs. Ledoux was arrested at Antioch. The prosecution in the case is working entirely on circumstantial evidence and defendant's dismissal is expected. At the time of the discovery she made several contradictory statements, saying first that he was her husband and latter denied it. Mrs. Ledoux appeared in the court room dressed in black. She seemed subdued and demure. Her mother Mrs. Head sat by her side.

It is very doubtful that jury will be selected this week. The court adjourned at two o'clock until tomorrow morning at ten.

ROOSEVELT NOT INTERESTED

(Scripps News Association)

Washington June 5.—It is positively and authoritatively denied that President Roosevelt was ever interested in any way in packing houses, either pork or beef. When he ran a ranch in the west there was a packing house not far from his ranch but he was uninterested in that or any other packing house establishment. The denial comes from the highest available authority.

EASTERN GOLF CHAMPIONSHIP

(Scripps News Association)

New York, June 4.—All arrangements have been perfected for the first annual championships of the Women's Eastern Golf Association, which will open on the links of the Nassau County Club tomorrow in connection with the tri-city tournament between teams from Philadelphia, Boston and New York. The list of entries is larger than was expected and some crack players will take part in the individual contests.

POTATOES & HAY

We have a large supply of strictly choice large potatoes in stock, which we offer at very low price.

We still have a large amount of hay—all grades—in our house which we offer at \$12.00 per ton. The hay market is very dull at the present time and we want to unload same.

We have to arrive a car load of Straw berry boxes, in about a week. Our price on them will be very low.

We are in the market for all the eggs that are offered and we pay highest market price, spot cash, for them.
