Much of the recent rain will turn into dollars. Union county will reap the benefit when the harvest is gathered.

It is quite evident that if the growth of Socialism continues in this county during the next two years as it has during the past two, will become quite a factor in county politics.

Do not lose sight of the saw mill proposition, La Grande can not afford to allow the opportunity to slip. Let every body help and we will have no trouble in landing the proposition.

The last few days prior to election it was evident that Mr. Holmes of the Cove could not possibly receive enough votes to be considered in the race and not a few voters in this city thinking it would be a stronger stroke of policy to prevent any possibility of county division, voted for Mr. Rothchild. They considered his location as being a stronger endorsement.

The election is over. Good men have been elected to fill the various offices and in a few days the people will settle down and most of them will almost forget that there was an election. The various candidates offered themselves to the citizens of this county and the people made their choice. Good men were defeated as well as elected.

The week opened and closed showery and cool, with an intervening period of from two to three days with mild temperatures and clear skies. The rains on Tuesday and Wednesday were excessive over limited localities in the northeast section of the State. The Umatilla River overflowed its banks, and did considerable damage to the streets in the city of Pendleton and to the bridges and fences along its course from that city to its mouth at Umatilla. In a few other localities in that section, farm lands were badly washed by heavy rains, but the good done in the larger territory where the rains were only moderate, much more than compensated for the damage done in the few limited areas where they were excessive. Friday morning the temperature was dangerously near the frost mark, both in the eastern and western portions of the State, but no frosts were reported. The winds during the week generally light and mostly from the west, but some of the rain squalls were attended by wind rushes of short duration.

STRONG Again

is what Mrs. Lucy Stovall, of Tilton, Ga., said after taking Kodol Dyspepsia Cure. Hundreds of other weak women are being restored to perfect health by this remedy. YOU may be well if you will take it.

Indigestion causes nearly all the sickness that women have. It deprives the system of nourishment and the delicate organs peculiar to women suffer— weaken, and become diseased.

Kodol Dyspepsia Cure

enables the stomach and digestive organs to digest and assimilate all of the wholesome food that may be eaten. It nourishes the body, and rebuilds the weak organs, restoring health and strength. Kodol cures indigestion, constipation, dyspepsia, sour risings, belching, heartburn and all stomach disorders.

Digests What You Eat

Do you see differently in your right eye from what you do in your left. There's some serious trouble then. Have us examine them.

GLASSES

accurately fitted will correct this and benefit the eyes in other ways. Don't neglect the eyes. It is not good sense or good economy to refrain from buying a \$1.50 pair of glasses now and later when the eyes are worse have to pay \$5.00 for more powerful lenses.
