CREAM SEPARATORS

"STOP!" and think before you buy a separator. There are many things to be considered in the purchase of a cream separator. You want the lightest running machine on the market. You want the machine that is the easiest to wash and keep clean, you also want the machine that will produce all the butter fat. And above all you want a durable machine so that you won't be continually paying for repairs.

Now the famous Empire Separator is the machine you want as it has all these advantages over every other machine on the market.

Any company can make claims but let us show you the Separator that makes good
