FAVORITE COLORS

are all found in the list of Sherwin Wilhams paints, and their high quality insures that any shade will be permanent. They don't fade like many so-called paints. Neither do they lose their life and scale off, are they affected by sun or rain. They can be relied upon as being thoroughly durable in all respects. Now that the 4th of July is approaching it is a good time to celebrate by giving your house, fence, or outbuilding a new dress.

GENERAL NEWS

Lon Hulise of beyond Courtney killed another bear Sunday, another large brown one. The animal was killed near Mr. Hulise's homestead. Bear seems to be plentiful in that region.—Flora Journal.

Some were disappointed Friday night by the failure of Rev. B. F. Meredith of La Grande to put in an appearance and preach as had been announced. The gentleman did arrive, however, Monday evening and preached two good sermons to the people of Fibra and one at Lost Prairie, before taking Thursday's stage for home. The reason he was not here according to appointment, was: The engine jumped track between La Grande and Elgin, another had to be procured and the delay caused the gentleman to reach Wallowa two hours late for the stage coming this way.—Flora Journal.

Dr. R. L. Lincoln was elected president of the Oregon State Board of Dental Examiners at the last meeting of that board. The doctor has been a member of the examining board for some time and his election is due to his faithful work while serving in that capacity. The next meeting of the board will be early in October.

LA GRANDE SCHOOL OF MUSIC

PROF. DAY, PRINCIPAL.
MRS. DAY, ASSISTANT.

This is one of the best musical institutions in the state, and that people in this city and valley are beginning to discover the advantage of this school. The system is the latest and most practical, and includes all the latest discoveries in the art of teaching music. The school is divided into two departments; No. 1 is for beginners from 5 years or more and are taught the first three grades. Pupils come one hour each day. This is no kindergarten system but far superior. In No. 2 the grades are from 3 to 15. Here they graduate. Pupils take one or two lessons a week as they desire. No scholars will be permitted to remain in this school who do not study.

A Heavy Load to Carry.

Along with dyspepsia comes nervousness and general ill-health. Why? Because a disordered stomach does not permit the food to be properly digested, and its products assimilated by the system. The blood is charged with poisons which come from this disordered digestion, and in turn the nerves are not fed on good, red blood, and we see symptoms of nervousness, sleeplessness and general breakdown. It is not head work, nor over physical exertion that does it, but poor stomach work. With poor, thin blood the body is not protected against the attack of germs of grip, bronchitis and consumption. Fortify the body at once with Dr. Pierce's Golden Medical Discovery—a rare combination of native medicinal roots without a particle of alcohol or dangerous habit-forming drugs.
A little book of extracts from prominent medical authorities extolling every ingredient contained in Dr. Pierce's Golden Medical Discovery will be mailed free to any address on request by postal card or letter. Address: Dr. R. V. Pierce, Buffalo, N. Y.

Many years of active practice convinced Dr. Pierce of the value of many native roots as medicinal agents and he went to great expense, both in time and in money, to perfect his own peculiar processes for rendering them both efficient and safe for tonic, alterative and rebuilding agents.
The enormous popularity of "Golden Medical Discovery" is due both to its scientific compounding and to the actual medicinal value of its ingredients. It is not a patent medicine nor a secret one either. This fact puts it in a class all by itself, bearing as it does on every bottle wrapper "The Badge of Honesty, in the full list of its ingredients."
The "Golden Medical Discovery" cures, weak stomach, indigestion, or dyspepsia, torpid liver and biliousness, ulceration of stomach and bowels and all catarrhal affections no matter what parts or organs may be affected with it. Dr. Pierce's Pleasant Pellets are the original little liver pills first put up 40 years ago. They regulate and invigorate stomach, liver and bowels. Much imitated but never equaled. Sugar-coated and easy to take as candy. One to three a dose.
